PROXY STATEMENT

August 6, 2007

Proxies are solicited by the Board of Trustees of Investors Real Estate Trust, a North Dakota Real Estate Investment Trust (the "Company"), for use at the 2007 Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held on Tuesday, September 18, 2007, at 7:00 p.m. CDT. The Annual Meeting will be held at the Grand International, 1505 North Broadway, Minot, North Dakota, 58703. Only the holders of record of the Company's common shares of beneficial interest, no par value ("Shares" or "common shares") at the close of business on July 20, 2007 (the "Record Date"), are entitled to vote at the Annual Meeting. The holders of the Company's 8.25% Series A Cumulative Redeemable Preferred Shares of Beneficial Interest, no par value (the "Preferred Shares"), are not entitled to vote at the Annual Meeting. As of the close of business on July 20, 2007, the Company had 48,864,757 Shares issued and outstanding, each of which is entitled to one vote at the Annual Meeting. Thirty-three and one-third percent (33 1/3%) of the Shares outstanding on the Record Date must be present in person or by proxy to have a quorum.

The cost of soliciting proxies will be borne by the Company. Trustees, officers and employees of the Company may, without additional compensation, solicit proxies by mail, internet, personal interview, telephone and/or telecopy. The Company does not expect that specially engaged employees or paid solicitors will make the solicitation. Although the Company may use such employees or solicitors if the Company deems them necessary, the Company has not made arrangements or contracts with any such employees or solicitors as of the date of this proxy statement. This proxy statement and the enclosed proxy card are scheduled to be mailed to shareholders commencing on or about August 6, 2007.

The Company will request banks, brokerage houses and other institutions, nominees or fiduciaries to forward the soliciting material to the beneficial owners of Shares and to obtain authorization for the execution of proxies. The Company will, upon request, reimburse banks, brokerage houses and other institutions, nominees and fiduciaries for their reasonable expenses in forwarding proxy materials to the beneficial owners. If a shareholder is a participant in the Company's Distribution Reinvestment Plan (the "Plan"), the proxy represents a voting instruction as to the number of full Shares in such shareholder's Plan account, as well as any Shares held directly by the shareholder.

All properly executed or authorized proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting as specified in such proxies. If no vote is specified on a proxy, the Shares represented by such proxy will be voted **FOR** the election of each of the nine (9) nominees for trustee, **FOR** the amendment of the Company's Declaration of Trust to authorize the Company to issue shares of beneficial interest without physical certificates, and **FOR** the ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors. If other matters are properly presented for voting at the Annual Meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. We have not received notice of other matters that may properly be presented for voting at the Annual Meeting.

Shares which are entitled to vote but which, at the direction of the beneficial owner, are not voted on one or more matters ("abstentions") will be counted for the purpose of determining whether there is a quorum for the transaction of business at the 2007 Annual Meeting. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers ("broker non-votes") are counted as present for the purpose of determining the existence of a quorum at the Annual Meeting.

The affirmative vote of a majority of the voting power of the shareholders present in person or by proxy at the Annual Meeting, provided a quorum is present, is required to elect each of the nine (9) nominees for trustee (Proposal 1).

The affirmative vote of a majority of the outstanding shares entitled to vote at the Annual Meeting, provided a quorum is present, is required to amend the Company's Declaration of Trust to authorize the Company to issue shares without physical certificates (Proposal 2).

The affirmative vote of a majority of the voting power of the shareholders present in person or by proxy at the Annual Meeting, provided a quorum is present, is required to ratify the selection of Deloitte & Touche as the Company's independent auditors (Proposal 3).

Please note that while brokers and banks cannot vote on their clients' behalf on "non-routine" proposals, each of the proposals included in this year's proxy statement is considered a "routine" matter. Both broker non-votes and abstentions are counted in determining whether the shareholders have approved these proposals. As such, if brokers and banks vote on their clients' behalf, such votes will affect the proposal as voted (either for or against). If brokers and banks do not vote on their clients' behalf, such broker non-votes will have the effect of a vote against the proposals. Abstentions also have the effect of a vote against the proposals.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use at the Annual Meeting by delivering to Michael A. Bosh, the Secretary and General Counsel of the Company, a written notice of revocation or a duly executed proxy bearing a later date, by authorizing a subsequent proxy by telephone or through the designated internet site, or by attending the Annual Meeting and voting in person.

The Company's principal executive offices are located at 12 Main Street South, Minot, North Dakota, 58702-1988. The Company's telephone number is (701) 837-4738, and facsimile number is (701) 838-7785.

INFORMATION CONCERNING THE BOARD OF TRUSTEES

Attendance at Board, Committee and Annual Shareholders' Meetings

During the fiscal year ended April 30, 2007, the Board held eight regular meetings. All trustees are expected to attend each meeting of the Board and the committees on which they serve, and are also expected to attend each annual meeting of shareholders. No trustee attended fewer than 75% of the meetings of the Board and the committees on which they served during the past year, and all trustees attended the 2006 Annual Meeting of Shareholders.

Trustee Independence

The Board of Trustees has determined that each of Patrick G. Jones, Jeffrey L. Miller, C.W. "Chip" Morgan, Edward T. Schafer, Stephen L. Stenhjem and John D. Stewart qualify as "independent directors" in accordance with the listing standards of the NASDAQ. Under the NASDAQ listing standards (the "Standards"), in order to be considered independent, a trustee of the Company must have no relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a Company trustee. The Standards specify certain relationships that are deemed to impair independence; including, for example, employment by the Company, or engaging in certain business dealings with the Company. In making these determinations, the Board reviewed and discussed information provided by the trustees and the Company with regard to each trustee's business and personal activities as they may relate to the Company and the Company's management. In the event

the nine nominees for trustee of the Company are elected at the Annual Meeting, the Company's Board of Trustees will consist of six trustees who are independent as defined by the Standards (Messrs. Jones, Miller, Morgan, Schafer, Stenehjem and Stewart), and three trustees who are not independent under the Standards (Timothy Mihalick and Thomas Wentz, Jr., who are employees of the Company, and W. David Scott, who is a controlling shareholder and executive officer of an entity to which the Company made payments for property and services within the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year). The Company accordingly will be in compliance with the Standards.

In addition, as required by the Standards, the members of the Company's Audit Committee each qualify as "independent" under the Standards and under special standards established by the Securities and Exchange Commission ("SEC") for members of audit committees. The Audit Committee also consists of three independent members (Mr. C.W. "Chip" Morgan, Mr. Stephen L. Stenehjem and Mr. John D. Stewart) who have been determined by the Board to meet the qualifications of an "audit committee financial expert" in accordance with SEC rules.

Committees

The Board has created four committees in order to more effectively direct and review the Company's operations and strategic outlook. In addition, the committees allow management to timely respond to factors affecting the ongoing operations of the Company. Management regularly consults with committee chairmen to review possible actions and seek counsel. Where appropriate, the Board delegates authority to committees (within specified parameters) to finalize the execution of various Board functions. While the committee structure has improved the level of Board oversight, it has also greatly increased the effort and time required of Board members who serve on the various committees.

The Board has established the following committees: Audit, Compensation, Executive and Nominating. The present members of these committees are indicated in the preceding section of this proxy statement. During the fiscal year ended April 30, 2007, the Audit Committee of the Board met four times, the Compensation Committee met three times, and the Nominating Committee met once. The Executive Committee did not meet in fiscal year 2007.

The Audit Committee is composed of three trustees, all of whom are independent as that term is defined by the NASDAQ, and are independent as defined in rules of the SEC. Information regarding the functions performed by the committee is set forth in the "Report of the Audit Committee," beginning on page 21 of this proxy statement. The Audit Committee is governed by a written charter that has been approved by both the Audit Committee and the Board. The Audit Committee Charter was adopted by the Board in January 2004 in response to changes in the listing standards of the NASDAQ, and replaced the Audit Committee's previous charter. The Audit Committee annually reviews and assesses the adequacy of its charter. The most recent such review was carried out at the Audit Committee's meeting in March 2007, and Committee members concluded that the charter satisfactorily states the responsibilities of the Audit Committee. A copy of the Audit Committee Charter is set forth as Appendix A to this proxy statement.

The Compensation Committee approves the compensation of the executive officers of the Company and the Company's management succession plan and attends to other matters relating to executive retention and compensation. The Compensation Committee is composed of six trustees, all of whom are independent as defined by the NASDAQ. For more information, see the "Compensation Discussion and Analysis" beginning on page 12 of this proxy statement.

The Executive Committee, which is composed of three trustees, two of whom are independent as defined by the NASDAQ, has all of the powers of the Board with respect to the management and affairs of the Company, subject to limitations prescribed by the Board and by North Dakota law, and may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee.

The Nominating Committee, composed of six trustees, all of whom are independent as defined by the NASDAQ, identifies individuals qualified to become Board members and approves the nominees to stand for election and re-election to the Board. The Nominating Committee is responsible for reviewing the appropriate skills

and characteristics required of Board members. This assessment includes consideration of the factors specified in the committee's charter and the trustee qualification requirements of the Company's Bylaws. These factors include age (at least 21 years of age and less than 74 years of age, in accordance with the Company's Bylaws); broad leadership experience in business, government, education, public service or in other management or administrative positions; willingness and ability to apply sound and independent business judgment; loyalty to the Company and commitment to its success; commitment to enhancing shareholder value; personal integrity; and independence, as defined in applicable laws and regulations.

Consideration of new Board candidates typically involves a series of internal discussions, review of information concerning candidates and informal interviews with selected candidates. In general, candidates for nomination to the Board are suggested by Board members or by Company employees. In fiscal year 2007, the Company did not employ a search firm or pay fees to other third parties in connection with seeking or evaluating Board candidates.

In accordance with the Company's Bylaws and with procedures adopted by the Nominating Committee in January 2004, the Nominating Committee will consider nominations from shareholders. Shareholders who wish to recommend individuals for consideration by the Nominating Committee to become nominees for election to the Board may do so by submitting a written recommendation addressed to both the Chairman of the Nominating Committee and to the Company's Secretary at the following address: Investors Real Estate Trust, PO Box 1988, Minot, North Dakota, 58702-1988. Submissions must be received by the Chairman and the Secretary in writing on or before the first day of June of each year for consideration for nomination for election at the next annual meeting of shareholders. Submissions must include biographical information concerning the recommended individual, including age and a five-year employment history with employer names and a description of the employer's business, and must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the shareholders. The Nominating Committee will not alter the manner in which it evaluates candidates, including consideration of the factors set forth in the committee's charter, based on whether the candidate was recommended by a shareholder or was identified by other means.

All committees of the Board operate under written charters approved by the Board. Copies of each charter are posted on the Company's Investor Relations website at www.iret.com under the "Corporate Governance" heading.

In addition to the above four committees of the Board, the membership of each of which consists entirely of trustees, the Board, in recognition of the growth of the Company and the consequent increase in capital expenditures and asset acquisition and disposition activity, has also established an Investment Committee. The membership of the Investment Committee may consist of trustees and/or employees of the Company. The Investment Committee may act on behalf of the Board in the best interests of the Company and its shareholders to consider, approve and effect investment plans, capital expenditures and the purchase and sale, transfer or other acquisition or disposition of property and assets, in accordance with the delegation of investment authority conferred by the Board and subject to approval levels established by the Board from time to time. Members of the Investment Committee are appointed by the Board. The Investment Committee did not meet during fiscal year 2007.

Communications from Shareholders to the Board

The Board recommends that shareholders initiate any communications with the Board in writing and send them in care of the Company's Secretary. Shareholders may send written communications to the Board, the Audit, Compensation and Nominating Committees of the Board or to any individual trustee c/o the Secretary, Investors Real Estate Trust, PO Box 1988, Minot, North Dakota, 58702-1988, or via e-mail to trustees@iret.com. All communications will be compiled by the Secretary and forwarded to the Board, the specified Board Committee or to individual trustees, as the case may be, not less frequently than monthly. This centralized process will assist the Board in reviewing and responding to shareholder communications in an appropriate manner. The name of any specific intended board recipient should be noted in the communication.

CORPORATE GOVERNANCE

Code of Conduct and Code of Ethics for Senior Financial Officers

All of the Company's trustees and employees, including our Chief Executive Officer and other senior executives, are required to comply with a Code of Conduct adopted by the Board in January 2004. The Board adopted the Code of Conduct to codify and formalize certain of the Company's long-standing policies and principles that help ensure our business is conducted in accordance with the highest standards of moral and ethical behavior. Our Code of Conduct covers all areas of professional conduct, including conflicts of interest, insider trading and confidential information, as well as requiring strict adherence to all laws and regulations applicable to our business. Employees are required to bring any violations and suspected violations of the Code of Conduct to the attention of the Company, through management or Company legal counsel. Additionally, our Chief Executive Officer, Chief Operating Officer and Chief Financial Officer are also subject to a Code of Ethics for Senior Financial Officers, which contains certain specific policies in respect of internal controls, the public disclosures of the Company, violations of the securities or other laws, rules or regulations and conflicts of interest.

The full text of the Code of Conduct and Code of Ethics for Senior Financial Officers is published on our website, at www.iret.com, under the "Corporate Governance" heading. The Company intends to disclose any future amendments to, or waivers of, the Code of Conduct and Code of Ethics for Senior Financial Officers on our website promptly following the date of any such amendment or waiver, and, to the extent required by the NASDAQ Standards, on a current report on Form 8-K.

Executive Sessions

The Board holds regular executive sessions at which our independent trustees meet without Company management or employees present. Executive sessions are held not fewer than four times per year.

Complaint Procedure

The Sarbanes-Oxley Act of 2002 requires companies to maintain procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Company's Audit Committee has adopted a complaint procedure that requires the Company to forward to the Audit Committee any complaints that it has received regarding financial statement disclosures, accounting, internal accounting controls or auditing matters. Any employee of the Company may submit, on a confidential, anonymous basis if the employee so chooses, any concerns on accounting, internal accounting controls, auditing matters or violations of the Company's Code of Conduct or Code of Ethics for Senior Financial Officers. All such employee concerns are to be forwarded in a sealed envelope to the chairman of the Audit Committee, in care of the Company's General Counsel, who will forward any such envelopes promptly and unopened. The Audit Committee will investigate any such complaints submitted.

Audit Committee Financial Expert

The Board has determined that Mr. John Stewart, the Chair of the Audit Committee, and Mr. Stephen L. Stenehjem and Mr. C.W. "Chip" Morgan, members of the Audit Committee, are "audit committee financial experts," as that term is defined in rules of the SEC. Mr. Stewart, Mr. Morgan and Mr. Stenehjem are also independent as defined by the NASDAQ Standards and special standards established by the SEC for Audit Committee members.

Audit Committee Pre-Approval Policies

Rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 require public company audit committees to pre-approve audit and non-audit services provided by their independent auditors. The Company's Audit Committee has adopted detailed pre-approval policies and procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved. During the year, in the event

it becomes necessary to engage the independent auditor for additional services not contemplated in the original pre-approval, the Company will obtain the specific pre-approval of the Audit Committee before engaging the independent auditor. The pre-approval policy requires the Audit Committee to be informed of each service performed by the independent auditor, and the policy does not include any delegation of the Audit Committee's responsibilities to management. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated will report any pre-approval decisions to the Audit Committee as a whole at its next scheduled meeting.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

Named Executive Officers

The following Compensation Discussion and Analysis describes the material elements of compensation for the following individuals, collectively referred to as the “named executive officers”: Thomas A. Wentz, Sr., President and Chief Executive Officer; Diane K. Bryantt, Senior Vice President and Chief Financial Officer; Timothy P. Mihalick, Senior Vice President and Chief Operating Officer; Thomas A. Wentz, Jr., Senior Vice President; and Michael A. Bosh, General Counsel and Corporate Secretary.

Executive Compensation Philosophy

The Compensation Committee of the Board (the “Committee”), composed entirely of trustees who are independent under the listing standards of the NASDAQ, operates under a written charter adopted in January 2004 and amended in July 2007, and is responsible for establishing the terms of the compensation of the Company’s named executive officers. The Committee believes that the Company’s compensation program for executive officers should:

- attract and retain highly qualified executives
- motivate these executives to improve the Company’s financial position and increase shareholder value
- provide total compensation that is competitive with compensation provided by other employment opportunities potentially available to Company executives
- provide total compensation with reference to compensation provided by other real estate investment trusts with comparable total assets and annual revenues
- provide a total compensation pay mix that includes both base salary and incentive components
- promote teamwork and cooperation throughout the Company and within the management group

The Committee applies these philosophies in establishing each of the elements of executive compensation. The Committee reviews peer company market data (salary information for companies that are similar to the Company is obtained by reference to the public disclosures made in the Securities and Exchange Commission filings of such companies), and considers internal equity among executive officers, individual and Company performance, and cost to the Company, when determining levels of compensation. The current executive compensation program is policy only and may be changed by the Committee at any time without notice to or approval by the shareholders. The Company is in a very competitive industry where success is based largely on the ability of senior management to

identify, acquire and manage real estate properties. Therefore, to continue to properly manage and grow the Company, it may be necessary to increase the amounts payable under the Company's base salary and incentive bonus programs in order to attract and retain qualified executives.

Executive Officer Compensation Processes

The Committee meets in executive session without management present to discuss various compensation matters, including the compensation of the Company's Chief Executive Officer. In addition, the Committee annually reviews all elements of executive compensation and benefit programs for reasonableness and cost-effectiveness. While the Committee has authority under its Charter to engage the services of outside consultants to advise it on matters relating to executive compensation, the Committee to date has never hired outside advisors.

Role of Management in Executive Compensation Decisions

Company management is involved in the following executive compensation processes:

- the Chief Operating Officer ("COO"), General Counsel and/or the Company's Director of Human Resources, as requested by the Committee, develop or oversee the creation of written background and supporting materials for distribution to the Committee prior to its meetings
- at the request of the Committee, certain employees of the Company (generally the Director of Human Resources and/or the Associate General Counsel) have collected data for the Committee on compensation levels and programs at comparable companies
- at the end of each calendar year, the CEO and COO provide the Committee with comments and recommendations regarding salary levels and salary increases for members of management, including the named executive officers (other than themselves); increases in base salary are generally effective as of January 1 each year

Components of the Executive Compensation Program

The primary elements of the Company's executive compensation program are:

Base salary
Annual Incentive Award
Health and Retirement Programs
Executive Benefits and Perquisites

Base Salary

Base salaries for the executive officers of the Company, including the Chief Executive Officer, are designed to compensate such individuals for their sustained performance. Base salaries are established by evaluating the responsibilities of the position held, the experience of the particular individual, a comparison of salaries paid for comparable positions by other companies in the real estate industry, and the Committee's desire to achieve the appropriate mix between fixed compensation and incentive compensation.

It is currently the Company's policy that base salaries of the executive officers, including the Chief Executive Officer, will generally be increased on January 1 of each year at the discretion of the Committee, based on, among other things, the individual's performance over the past year, changes in the individual's responsibility and/or necessary adjustments to maintain base salaries that are competitive with industry practices and similar companies. For the calendar year beginning January 1, 2007, the base salaries of the named executive officers were increased by an average of 9.87%.

Annual Incentive Awards

Incentive awards are structured to further motivate the named executive officers, including the Chief Executive Officer, by linking incentive compensation to the Company's performance. During fiscal year 2005, the Compensation Committee revised the Company's incentive bonus program to provide for bonus payments based on

the following specific objective measures of the Company's performance: an increase in funds from operations; an increase in GAAP earnings per share; a target return on equity of 12%; improvement in economic vacancy rates at the Company's properties; and a target of 10% growth in assets. For fiscal year 2007, the Committee determined that the maximum bonus payable in regard to each of these factors is \$60,000, for a potential total bonus pool of \$300,000. The bonus pool will be divided, proportionately to the individual's base salary, among Company officers specified by the Committee; the officers eligible to receive a bonus for fiscal year 2007 are the named executive officers. For fiscal year 2008, the Committee has determined that the maximum potential total bonus pool will be \$600,000, and that the officers eligible to receive a bonus for fiscal year 2008 will be the named executive officers and two additional members of the Company's senior management team. The Company's incentive bonus program is the only form of executive compensation that is tied to the performance of the Company. If the Company's performance, as judged by the measures identified above, does not improve compared to performance during the prior fiscal year, no incentive bonuses will be paid to Company executive officers. If a performance target is only partially met, the Committee may exercise its discretion to award a bonus in respect of such target. In regard to fiscal year 2007, the Committee has determined that incentive bonuses were earned by the named executive officers. The incentive bonus amount earned by each individual executive officer is set forth in the the Summary Compensation Table included in this proxy statement for the Company's 2007 Annual Meeting of Shareholders. The Committee has directed that the incentive bonuses be paid to the named executive officers no later than August 1, 2007. In making this determination, the Committee reviewed the following financial and operational results for fiscal year 2007:

Fiscal Year 2007 Bonus Award Performance Measures

- Increase in FFO: The Company reported Funds from Operations of \$.88 per share/unit for the fiscal year ended April 30, 2007, compared to Funds from Operations of \$.79 per share/unit for the fiscal year ended April 30, 2006. The Committee determined that the Company's performance met this benchmark, and that this component of the bonus should be fully funded at \$60,000.
- Increase in GAAP earnings per share: The Company reported earnings per share of \$.24 for the fiscal year ended April 30, 2007, compared to earnings per share of \$.20 for the fiscal year ended April 30, 2006. The Committee determined that the Company's performance met this benchmark, and that this component of the bonus should be fully funded at \$60,000.
- Return on equity target of 12%: The Company's return on equity, determined by dividing the Company's net taxable income by its total equity, for the fiscal year ended April 30, 2007, was 10.3%, compared to 9.5% for the fiscal year ended April 30, 2006. The Committee determined that the Company's performance did not fully meet this benchmark, but the Committee exercised its discretion to fund 85% of this component of the bonus at \$51,000.
- Improvement in economic vacancy: The economic vacancy rate at the Company's multi-family residential properties was 6.8% for the fiscal year ended April 30, 2007, compared to 8.4% for the fiscal year ended April 30, 2006. Economic vacancy rates at the Company's office, medical, industrial and retail properties were 9.5%, 3.2%, 5.2%, and 10.7%, respectively, for the fiscal year ended April 30, 2007, compared to 7.5%, 3.8%, 12.8%, and 12.3% for the fiscal year ended April 30, 2006. The Committee determined that the Company's performance met this benchmark, and that this component of the bonus should be fully funded at \$60,000.
- Asset growth target of 10%: The Company's property owned increased from \$1.27 billion for the fiscal year ended April 30, 2006, to \$1.49 billion for the fiscal year ended April 30, 2007, an increase of 17.3%. The Committee determined that the Company's performance met this benchmark, and that this component of the bonus should be fully funded at \$60,000.

Health, Retirement and Other Benefits

In an effort to attract, retain and fairly compensate talented employees, the Company offers various benefit plans to its employees, including a retirement plan that is intended to be a qualified retirement plan under the Internal Revenue Code of 1986, as amended, a 401(k) benefit plan, and health, life insurance and disability plans.

These benefit plans are part of the Company's broad-based employee benefits program, and none of these plans is offered to the named executive officers either exclusively or with terms different from those offered to other eligible Company employees.

Executive Benefits and Perquisites

As noted above, the Company's named executive officers are generally offered the same employee benefits and perquisites offered to all employees. The only benefits or perquisites offered to any named executive officer either exclusively or with terms different from those offered to other eligible Company employees are the following: payment of annual country club membership dues and the associated minimum meal purchase requirement and other expenses for Mr. Timothy Mihalick, the Company's COO, the provision of a Company-purchased vehicle to Mr. Mihalick, and the provision of Northwest Airlines World Club memberships to Mr. Mihalick and to Mr. Thomas Wentz, Jr., a Senior Vice President of the Company. The Company provides executive benefits and perquisites to retain executive talent.

Stock-based Awards, Severance and Change-in-Control

The Company does not offer stock-based awards to any Company executive officer or employee, and has not entered into severance or change-in-control agreements with any Company officer or employee.

Tax Implications of Executive Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1 million in compensation per year on the amount that the Company may deduct with respect to each of its named executive officers (excluding compensation that qualifies as "performance-based compensation"). The Company does not compensate any executive officer or employee at a level that exceeds this available deduction.

Report of the Compensation Committee

The Compensation Committee of the Board has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management, and based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Related Party Transactions Policy

In February 2007 the Company's Board of Trustees adopted a written related party transactions approval policy, which sets forth the Company's policies and procedures for the review, approval or ratification of any transaction required to be reported in Company filings with the Securities and Exchange Commission. The policy applies to any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships in which the Company (or any of its subsidiaries) is a participant, in which the aggregate amount involved will or may be expected to exceed \$120,000 in any fiscal year, and in which a related party has a direct or indirect interest (other than solely as a result of being a director or a less than 10 percent beneficial owner of another entity).

The Audit Committee of the Board of Trustees must approve any related party transaction subject to this policy before commencement of the transaction, or, if it is not practicable to wait until the next Audit Committee meeting, the transaction may be submitted to the Chair of the Audit Committee, who has the delegated authority to act between Audit Committee meetings to pre-approve, or ratify, as applicable, any related party transaction in which the aggregate amount involved is expected to be less than \$250,000. Related party transactions that are identified as such subsequent to their commencement will promptly be submitted to the Audit Committee or the chair of the Audit Committee, which shall, if they determine it to be appropriate, ratify the transaction. The Audit Committee will annually review all ongoing related party transactions and assess whether they remain appropriate. Under the policy, the Audit Committee or its Chair shall approve only those related party transactions that are in, or are not inconsistent with, the best interests of the Company and its shareholders, as determined by the Committee or the Chair in good faith.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Section 16(a)") requires that the trustees and executive officers of the Company file with the SEC, within specified due dates, initial reports of ownership of the Company's shares of beneficial interest and Units and Preferred Shares, and reports of changes in ownership of Shares, Units and Preferred Shares. As a matter of practice, the Company's administrative staff assists our trustees and executive officers with these reporting requirements, and typically files these reports on their behalf. The Company is required to disclose whether it has knowledge that any person required to file such reports may have failed to do so in a timely manner. Based solely on a review of the copies of the fiscal year 2007 reports in the Company's possession, and on written representations from the Company's reporting persons that no other reports were required during the year ended April 30, 2007, the Company believes that all of the trustees and executive officers of the Company have timely satisfied their Section 16(a) reporting obligations for the fiscal year ended April 30, 2007.

PROPOSAL 2: AMENDMENT OF THE COMPANY'S DECLARATION OF TRUST TO PERMIT THE COMPANY TO ISSUE SHARES WITHOUT PHYSICAL CERTIFICATES

The Board of Trustees has approved, subject to the approval and adoption by the Company's shareholders, amendments to certain provisions of Article II, Section 1 (the "Amendments") of the Company's Declaration of Trust that would allow the Company to issue shares and provide for transfers of shares without issuing physical certificates to evidence those shares ("non-certificated shares"). The purpose of the Amendments is to make the Company's shares of beneficial interest eligible for participation in a Direct Registration Program operated by a clearing agency (such as the one offered by the Depository Trust Company), pursuant to NASDAQ Marketplace Rule 4350(1), as recently amended.

You are being asked to approve and adopt the Amendments to the Declaration of Trust. This proposal requires the affirmative vote of a majority of the outstanding shares entitled to vote at the Annual Meeting. ***The Board of Trustees recommends that you vote FOR this proposal.***

The full text of Article II, Section 1 of the Declaration of Trust, marked to show the Amendments, is attached to this proxy statement as Appendix B. The following description of the Amendments is qualified in its entirety by reference to Appendix B.

Current Declaration of Trust Requirements

Article II of the Company's Declaration of Trust currently can be interpreted to require the Company to issue physical certificates to each shareholder of record evidencing the shares of beneficial interest owned by such shareholder. In view of developments in technology and recordkeeping processes, and, in particular, listing requirements recently adopted by the NASDAQ Stock Market, the Board of Trustees believes that the Declaration of Trust should be amended to clarify that the Company has the ability to issue non-certificated shares.

Reason for and Effects of Proposed Amendment

The NASDAQ Stock Market, the exchange on which the Company's shares are traded, recently adopted listing requirements mandating that, effective January 1, 2008, companies listed on NASDAQ, such as the Company, be eligible to issue non-certificated shares so that they may participate in a "Direct Registration Program" operated by a security depository. The proposed Amendments to the Declaration of Trust are necessary in order to clarify that the Company is eligible to issue non-certificated shares and participate in this program, as required under NASDAQ rules. Accordingly, the proposed Amendments would permit the Company to issue such non-certificated shares to shareholders of record. The Amendments also provide that each shareholder of record, upon request, may have a physical certificate or certificates issued to evidence his or her shares.

While the proposed Amendments would make the Company eligible to issue non-certificated shares, the Company does not currently anticipate issuing non-certificated shares to shareholders of record of the Company's common shares under a Direct Registration Program. The Company will consider this issue from time to time and, if the Company determines in the future that the cost savings, ease of administration, technical feasibility or shareholder acceptance of such a program justify participation in a Direct Registration Program, the Board of Trustees may choose to implement such a program in the future. However, as noted above, even if a non-certificated share program were to be implemented in the future, the proposed Amendments to the Declaration of Trust provides that each shareholder may request to have physical certificates issued to evidence his or her shares.

Vote Required

The affirmative vote of a majority of the outstanding shares entitled to vote at the Annual Meeting is required to approve Proposal 2. ***The Board unanimously recommends that you vote FOR the amendment of the Company's Declaration of Trust to authorize the Company to issue shares of beneficial interest without physical certificates.***

PROPOSAL 3: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has approved Deloitte & Touche LLP (“Deloitte & Touche”) as the Company’s independent auditors for the current fiscal year ending April 30, 2008. Deloitte & Touche completed the audits for the Company’s last four fiscal years, ended April 30, 2007, 2006, 2005 and 2004. The Company’s fiscal year 2004 was the first year that Deloitte & Touche audited the Company’s financial statements. As a matter of good corporate governance, the Audit Committee has determined to submit its selection to shareholders for ratification. In the event that this selection of auditors is not ratified by a majority of the voting power of the shareholders present in person or by proxy at the Annual Meeting, the Audit Committee will review its future selection of independent auditors.

The Company expects that a representative of Deloitte & Touche will be present at the Annual Meeting. The representative will have the opportunity to make a statement if he or she so desires. The representative will also be available to respond to questions from shareholders.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Trustees (the "Audit Committee") oversees the accounting and financial reporting processes of the Company and the audits of the Company's annual financial statements. The Audit Committee is made up solely of independent trustees, as defined in the applicable NASDAQ and SEC rules, and it operates under a written charter adopted by the Board, a copy of which is included in this proxy statement as Exhibit A, and is also available on the Company's investor relations website at www.iret.com, under the "Corporate Governance" caption. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. The Company's Board of Trustees has determined that each of John D. Stewart, the Chair of the Audit Committee, and Stephen L. Stenhjem and C.W. "Chip" Morgan, members of the Audit Committee, is an audit committee financial expert as defined by the rules of the SEC.

The Audit Committee held four meetings during fiscal year 2007. The Audit Committee met quarterly with representatives of Deloitte & Touche LLP, the Company's independent registered public accounting firm (the "independent auditors"), during fiscal year 2007, and met with the independent auditors subsequent to the fiscal year end as well, in respect of the year-end audit. Among other matters, the Audit Committee has discussed with the independent auditors the matters required to be discussed by auditing standards of the Public Company Accounting Oversight Board (United States) (hereinafter referred to as "the PCAOB standards"), in particular Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement on Auditing Standards No. 90, Audit Committee Communications. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect. The Audit Committee has also discussed with the independent auditors their independence. The independent auditors have free access to the Audit Committee to discuss any matters they deem appropriate.

As described more fully in its Charter, the Audit Committee represents and assists the Board of Trustees in its oversight of the integrity of the Company's financial reporting, the independence, qualifications and performance of the Company's independent auditors, and the Company's compliance with legal and regulatory requirements. Company management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditing firm is responsible for performing an independent audit of the consolidated financial statements in accordance with the PCAOB standards. In accordance with law, the Audit Committee has the ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace the Company's independent auditors. The Audit Committee has the authority to engage its own outside advisors as it determines appropriate, apart from counsel or advisors hired by management.

In accordance with law, the Audit Committee has established procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, including the confidential, anonymous submission by Company employees of concerns regarding accounting or auditing matters. Further, the Audit Committee has pre-approved all audit and audit-related services provided by the independent auditors to the Company, and the related fees for such services, and has concluded that all such services are compatible with the auditors' independence. No non-audit services were provided to the Company by the independent auditors in fiscal year 2007. See "Proposal 3: Ratification of Selection of Independent Auditors" for more information regarding fees paid to the Company's independent auditors for services in fiscal years 2006 and 2007.

The Audit Committee reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of April 30, 2007, which management made using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control-Integrated Framework. The Audit Committee also reviewed and discussed with Deloitte & Touche LLP its

attestation report on management's assessment of internal control over financial reporting and its review and report on the Company's internal control over financial reporting. The Company published these reports in its Annual Report on Form 10-K for the fiscal year ended April 30, 2007.

The Audit Committee has reviewed and discussed the consolidated financial statements for fiscal year 2007 with management and the independent auditors. This review included a discussion with management of the quality of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosure in the Company's financial statements, including the disclosures related to critical accounting estimates. Following these discussions and the Audit Committee's review of the report of the independent auditors, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended April 30, 2007, for filing with the SEC.

The Audit Committee has selected Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal year 2008. The Board of Trustees has concurred in that selection and has presented the matter to the shareholders of the Company for ratification.

ELECTRONIC DELIVERY OF PROXY MATERIALS

We are pleased to offer Company shareholders the choice of receiving our proxy materials electronically over the Internet instead of receiving paper copies through the mail. Choosing electronic delivery will save us the costs of printing and mailing these materials, and will help conserve natural resources. Our fiscal year 2007 annual report and proxy statement are being mailed to all shareholders who have not already elected to receive these materials electronically. If you are a shareholder of record and would like to receive these materials electronically in the future, you may enroll for this service on the Internet after you vote your shares in accordance with the instructions for Internet voting set forth on the enclosed proxy card. We encourage our shareholders to receive proxy materials via the Internet because it reduces Company expenses, is easier on the environment, and offers additional convenience for shareholders. Beginning with our fiscal year 2008 proxy materials, and in accordance with new

SEC rules, we plan to send all shareholders who have not affirmatively opted to receive paper materials, all of their proxy materials via the Internet. However, you still may opt to continue receiving paper copies of proxy materials, at no cost to you, by following the provided instructions. You may also enroll for electronic delivery of future Company shareholder materials at any time on our website at www.iret.com. Select the "Investor Relations" link and then the "Click Here to Enroll" link. As with all Internet usage, the user must pay all access fees and telephone charges. An electronic version of this proxy statement is posted on our website at www.iret.com. Select the "Investor Relations" link and then either the "SEC Filings" link or the "Corporate Governance" link.

SHAREHOLDERS WITH THE SAME LAST NAME AND ADDRESS

In accordance with notices that we sent to certain shareholders, we are sending only one copy of our annual report and proxy statement to shareholders who share the same last name and address, unless they have notified us that they want to continue receiving multiple copies. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources.

Householding for bank and brokerage accounts is limited to accounts within the same bank or brokerage firm. For example, if you and your spouse share the same last name and address, and you and your spouse each have two accounts containing IRET common shares at two different brokerage firms, your household will receive two copies of the Company's annual meeting materials - one from each brokerage firm.

If you received a househanded mailing this year and you would like to have additional copies of our annual report and/or proxy statement mailed to you, or you would like to opt out of this practice for future mailings, please submit your request to our Investor Relations department by fax to (701) 838-7785, by mail to the Company at Investor Relations, PO Box 1988, Minot, ND 58702-1988 or by calling Investor Relations between 8:30 a.m. and 5:00 p.m. CT at 1-888-478-4738. Similarly, you may also contact us if you received multiple copies of the annual meeting materials and would prefer to receive a single copy in the future.
