## Section 2: EX-99.1 (EXHIBIT 99.1)

### IRET Announces 1-for-10 Reverse Stock Split and Plan for Transition to Calendar Year-end

MINNEAPOLIS, MN, December 17, 2018 – IRET (NYSE: IRET) announced today that its Board of Trustees approved a 1-for-10 reverse stock split of its outstanding shares of common stock and units. The reverse stock split is scheduled to take effect after the market closes on December 27, 2018 (the “Effective Time”). IRET’s common shares are expected to begin trading on a split-adjusted basis on December 28, 2018. At the Effective Time, every ten (10) issued and outstanding shares of common stock of IRET will be converted into one (1) common share of IRET. Trading in the common stock will continue on the NYSE under the symbol “IRET,” but the security will be assigned a new CUSIP number.

No fractional shares will be issued in connection with the reverse stock split. Instead, each shareholder that otherwise would receive fractional shares will be entitled to receive, in lieu of such fractional shares, cash in an amount determined on the basis of the closing price of IRET common stock on the NYSE on December 27, 2018. The reverse stock split will apply to all of IRET’s outstanding shares of common stock as of the Effective Time. The previously announced distribution of \$0.07 per common share for the third quarter of fiscal year 2019, payable on January 15, 2019, to common shareholders and unitholders of record at the close of business on January 2, 2019, will be adjusted to \$0.70 per common share to account for the reverse stock split. Shareholders of record will be receiving information from American Stock Transfer & Trust Company, IRET’s transfer agent, regarding their share ownership following the reverse stock split and cash in lieu of fractional share payments, if applicable. Shareholders who hold their shares in brokerage accounts or “street name” are not required to take any action in connection with the reverse stock split.

Pursuant to the previous announcement on September 20, 2018, IRET’s Board of Trustees approved a change in its fiscal year-end from April 30 to December 31. IRET will file a transition report on Form 10-K for the period ended December 31, 2018, in accordance with SEC rules and regulations. All subsequent fiscal years for IRET will be from January 1 to December 31, beginning in 2019.

“We continue to execute on our plan as indicated by the 8.7% same-store NOI growth we reported last week for the fiscal quarter ended October 31, 2018,” said Mark O. Decker, Jr., IRET’s President and CEO. “We also continue to make other changes, such as the 1-for-10 reverse stock split announced today and the previously announced change to a calendar year-end. These changes make IRET more consistent with our multifamily peers and, we believe, a more attractive investment for current and prospective shareholders. These changes are all consistent with our focus on becoming the premier provider of apartment homes in our markets.”
