PROXY STATEMENT

August 7, 2018

Proxies are solicited by the Board of Trustees (the “Board” or “Board of Trustees”) of Investors Real Estate Trust, a North Dakota real estate investment trust (the “Company”), for use at the Company’s 2018 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Tuesday, September 18, 2018, at 9:00 a.m. Central Daylight Time. The Annual Meeting will be held at the Grand Hotel, 1505 North Broadway, Minot, North Dakota 58703. Only the holders of record of the Company’s common shares of beneficial interest, no par value (“Shares” or “common shares”), at the close of business on July 23, 2018 (the “Record Date”), are entitled to vote at the Annual Meeting. The holders of the Company’s 6.625% Series C Cumulative Redeemable Preferred Shares of Beneficial Interest, no par value, are not entitled to vote at the Annual Meeting. As of the close of business on July 23, 2018, the Company had 119,393,184 Shares issued and outstanding, each of which is entitled to one vote at the Annual Meeting. Thirty-three and one-third percent (33-1/3%) of the Shares outstanding on the Record Date must be present in person or represented by proxy to constitute a quorum.

The cost of soliciting proxies will be borne by the Company. The Company has engaged Morrow Sodali LLC, 470 West Ave., Stamford, CT 06902 (“Morrow Sodali”) to assist with the solicitation of proxies. The Company will pay Morrow Sodali a fee of \$8,000 plus reimbursement of out-of-pocket expenses and disbursements currently estimated at an additional \$6,000, with the final amount of such disbursements depending on the level of services actually provided. Trustees, officers, and employees of the Company may, without additional compensation, solicit proxies by mail, email and/or telephone.

The Company is furnishing proxy materials to its shareholders primarily via the Internet. On or about August 7, 2018, the Company mailed to its shareholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access the Company’s proxy materials, including the 2018 Proxy Statement and the 2018 Annual Report, and how to vote through the Internet, by mail or in person. On or about August 7, 2018, certain shareholders, in accordance with their prior requests, were sent e-mail notifications of how to access the proxy materials and to vote or have been mailed paper copies of the Company’s proxy materials and a proxy card or voting form.

Internet distribution of the Company’s proxy materials is designed to expedite receipt by shareholders, lower the cost of the Annual Meeting, and conserve natural resources. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability. If you have previously elected to receive the Company’s proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

The Company will request banks, brokerage houses, and other institutions, nominees, and fiduciaries to forward the proxy materials to the beneficial owners of Shares and to obtain authorization for the execution of proxies. The Company will, upon request, reimburse banks, brokerage houses, and other institutions, nominees and fiduciaries for their reasonable expenses in forwarding the proxy materials to

the beneficial owners. If a shareholder is a participant in the Company's Distribution Reinvestment and Share Purchase Plan (the "DRSP Plan"), the proxy represents a voting instruction as to the number of full Shares in such shareholder's DRSP Plan account, as well as any Shares held directly by the shareholder.

You may vote your Shares at the Annual Meeting in person. If you cannot attend the Annual Meeting in person, or you wish to have your Shares voted by proxy even if you do attend the Annual Meeting, you may vote by duly authorized proxy over the Internet, by telephone, or by mail. In order to vote over the Internet, you must first go to www.proxyvote.com, have your Notice of Internet Availability of Proxy Materials, proxy card, or voting instruction form available and follow the instructions.

In order to vote by telephone, you must call 1-800-690-6903, have your Notice of Internet Availability of Proxy Materials, proxy card, or voting instruction form available and follow the instructions.

To vote by mail using a proxy card, you must sign, date, and mail the proxy card in the envelope provided. You may request a proxy card as instructed in the Notice of Internet Availability of Proxy Materials.

To vote in person, you must attend the Annual Meeting and obtain and submit a ballot, which will be provided at the meeting.

All properly executed or authorized proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting as specified in such proxies. If no vote is specified on such a proxy, or no vote is specified as to a particular proposal, the Shares represented by such proxy as to such no vote will be voted **FOR** the election of each of the eight trustee nominees, **FOR** the advisory approval of executive compensation, and **FOR** the ratification of the selection of Grant Thornton LLP as the Company's independent auditor for the current fiscal year. If other matters are properly presented for voting at the Annual Meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. The Company has not received notice of other matters that may properly be presented for voting at the Annual Meeting.

If your shares are held in the name of a broker, you should receive a voting instruction form from your broker. Your broker will vote your shares in the manner you timely indicate pursuant to the voting instruction form. If you do not timely indicate your voting instructions to your broker, the broker will not be permitted to vote your shares at the Annual Meeting on Proposal 1 (election of trustees) and Proposal 2 (advisory vote on executive compensation) because such proposals are not routine matters under the New York Stock Exchange ("NYSE") rules. However, your broker may, in its discretion, vote your shares on Proposal 3 (ratification of Grant Thornton LLP as the Company's independent auditor) if you do not timely indicate voting instructions on that proposal because the proposal is a routine matter under the NYSE rules. Accordingly, if you hold shares in street name in a bank or brokerage account, it is critical that you cast your vote if you want it to count in the election of trustees and the advisory vote on executive compensation.

Shares entitled to vote but which, at the direction of the beneficial owner, are not voted on one or more matters ("abstentions") will be counted for the purpose of determining whether there is a quorum for the transaction of business at the Annual Meeting. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers (i.e., broker non-votes) are counted as present for the purpose of determining the existence of a quorum at the Annual Meeting.

The affirmative vote of a majority of the voting power of the shareholders present in person or by proxy at the Annual Meeting, provided a quorum is present, is required to elect each of the eight

trustee nominees (Proposal 1); to approve, on an advisory basis, executive compensation (Proposal 2); and to ratify the selection of Grant Thornton LLP as the Company's independent auditor (Proposal 3).

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before polls close at the Annual Meeting by either: (1) delivering to Anne Olson, the Secretary of the Company, a written notice of revocation or a duly executed proxy bearing a later date; (2) authorizing a subsequent proxy by telephone or through the designated Internet site; or (3) attending the Annual Meeting and voting in person. If your shares are held on your behalf by a broker, bank, or other nominee, you must contact them to receive instructions on how to revoke your proxy.

The Company's principal executive offices are located at 1400 31st Avenue SW, Suite 60, Minot, ND 58702. The Company's telephone number is (701) 837-4738, and the facsimile number is (701) 838-7785.

In addition to regular access to management during Board and committee meetings, the independent trustees have ongoing, direct access to members of management and to the Company's business.
Board Refreshment	Engaged Board	Shareholder Engagement
Trustees of varying tenures and perspectives serve on the Board, with new trustees joining the Board every few years, including two new trustee nominees and one trustee retirement in 2018.	In addition to regular access to management, the independent trustees meet at least quarterly, receive written updates from the CEO at least monthly, and have ongoing, direct access to the Company's management.	Under the direction of the Board, the Company regularly engages with shareholders on governance, pay and business matters.
No Pledging or Hedging of Shares	Majority Voting with a Resignation Policy	Related Party Transactions
The Company prohibits trustees and executive officers from entering into pledging or hedging transactions involving Company securities and from holding Company securities in margin accounts or pledging such securities as collateral for loans.	Since inception, the Company's trustees have been elected annually, and the Company requires its trustees to be elected by a majority of the votes cast. Trustees failing to get a majority of the votes cast are expected to tender their resignation.	The Company maintains a related party transaction policy to ensure that the Company's decisions are based on considerations only in the best interests of the Company and its shareholders.
Risk Assessment	Interlocking Directorships	Term Limits
The Board conducts an annual risk assessment that focuses on the key risks facing the Company.	No Company trustee or member of management serves on a Board or a compensation committee of a company at which a Company trustee is also an employee.	Rather than impose arbitrary limits on service, the Company regularly (and at least annually) reviews each trustee's continued role on the Board and considers the need for periodic board refreshment.
Staggered Board		

All Company trustees have always been elected only to one-year terms.

Attendance at Board, Committee and Annual Shareholders' Meetings

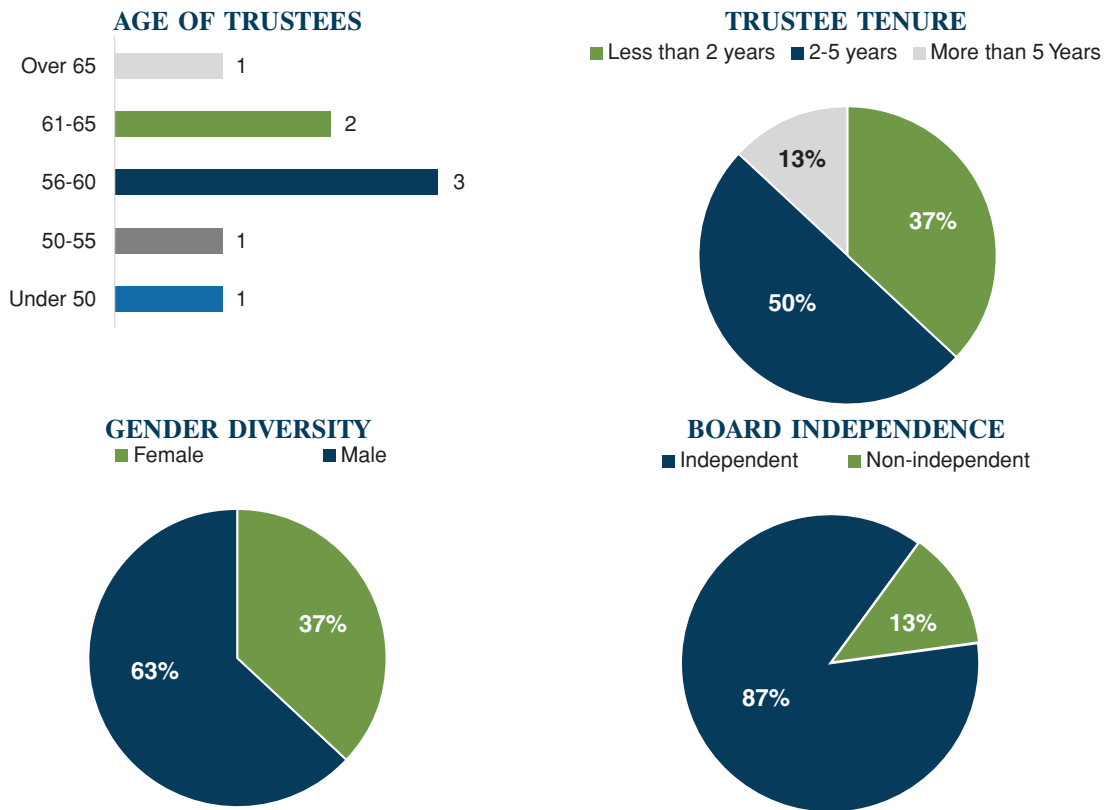

All trustees are expected to attend each meeting of the Board and the committees on which they serve. During the fiscal year ended April 30, 2018, the Board held nine meetings, the Audit Committee held four meetings, the Compensation Committee held three meetings, the Nominating and Governance Committee held six meetings, and the Capital Markets Committee held ten meetings. No trustee nominee named in the Proxy Statement attended fewer than 75% of the meetings of the Board and the committees on which he or she served during the past fiscal year except for Emily Nagle Green and Mary J. Twinem, each of whom joined the Board on February 15, 2018, and therefore were not trustees during the period when 75% of the meetings were held.

Trustee Independence

The Board of Trustees determined that each of Jeffrey P. Caira, Michael T. Dance, Emily Nagle Green, Linda J. Hall, Terrance P. Maxwell, John A. Schissel, and Mary J. Twinem qualified as an "independent trustee" in accordance with the listing standards (the "Standards") of the New York Stock Exchange ("NYSE"). Under the Standards, no trustee of the Company will qualify as independent unless the Board of Trustees has affirmatively determined that the trustee has no material relationship with the

Company, either directly or as a partner, shareholder, or officer of an organization that has a relationship with the Company. The Standards specify certain relationships that are deemed to preclude a finding of independence, including, for example, employment by the Company or engaging in certain business dealings with the Company. In making these determinations, the Board reviewed and discussed information provided by the trustees and the Company with regard to each trustee’s business and personal activities as they may relate to the Company and the Company’s management.

Each member of the Audit Committee qualifies as “independent” under the Standards and the NYSE’s additional standards for members of audit committees and meets the special standards established by the Securities and Exchange Commission (“SEC”) for members of audit committees. Each member of the Compensation Committee qualifies as “independent” under the Standards and the NYSE’s enhanced standard for members of compensation committees.

Board Leadership Structure

As described above, the Chair of the Board, Mr. Caira, is an independent trustee under the Standards. Mr. Caira has served as Chair of the Board since April 27, 2017. The Board of Trustees believes that the Company should maintain a Board leadership structure in which the roles of Chief Executive Officer and Chair of the Board are separate, and the Chair of the Board is independent under the Standards. The Company’s Governance Guidelines state that “the Board’s general policy is that the positions of Chairman of the Board and Chief Executive Officer should be held by separate persons.” The separation of offices allows the Chair of the Board to focus on management of Board matters and allows the Chief Executive Officer to focus his attention on managing the Company’s business. Additionally, the Company believes the separation of offices ensures the objectivity of the Board in its management oversight role, specifically with respect to reviewing and assessing the Chief Executive Officer’s performance.

Board Committees

The Board has created five committees in order to more effectively direct and review the Company's operations and strategic outlook. In addition, the committees allow management to respond timely to factors affecting the ongoing operations of the Company. Management regularly consults with committee chairs to review possible actions and seek counsel. Where appropriate, the Board delegates authority to committees (within specified parameters) to finalize the execution of various Board functions.

The Board has established the following committees: Audit, Compensation, Nominating and Governance, Capital Markets, and Executive. The present members of these committees are indicated in the following section of this Proxy Statement. During the fiscal year ended April 30, 2018, the Board met nine times, the Audit Committee met four times, the Compensation Committee met three times, the Nominating and Governance Committee met six times, and the Capital Markets Committee met ten times. The Executive Committee did not meet in fiscal year 2018.

The Audit Committee is composed of three trustees, all of whom are independent under the Standards and as defined in the rules of the SEC and meet the NYSE’s additional standards for members of the Audit Committee. Information regarding the functions performed by the Audit Committee is set forth in the “Report of the Audit Committee,” contained elsewhere in this Proxy Statement. The Audit Committee is governed by a written charter that has been approved by both the Audit Committee and the Board. The Audit Committee annually reviews and assesses the adequacy of its charter. The most recent review was performed at the Audit Committee meeting in March 2018.

The Compensation Committee is composed of three trustees, all of whom are independent under the Standards and meet the NYSE’s enhanced standards for members of the Compensation Committee. The Compensation Committee recommends to the Company’s independent trustees the compensation of the executive officers of the Company, approves the Company’s management succession plan, recommends to the Board the compensation of Company trustees and attends to other matters relating to executive retention and compensation. For more information, see “Compensation Discussion and Analysis” contained elsewhere in this Proxy Statement. The Compensation Committee is governed by a written charter that has been approved by both the Compensation Committee and the Board. The Compensation Committee annually reviews and assesses the adequacy of its charter. The most recent review was performed at the Compensation Committee meeting in December 2017.

The Nominating and Governance Committee is composed of three trustees. The Nominating and Governance Committee identifies individuals qualified to become Board members, recommends to the Board the nominees to stand for election and re-election to the Board, reviews the Company’s governance policies and guidelines, and recommends changes to the Board and oversees the self-evaluation process for the Board and committees. The Nominating and Governance Committee is governed by a written charter that has been approved by both the Nominating and Governance Committee and the Board. The Nominating and Governance Committee annually reviews and assesses the adequacy of its charter. The most recent review was performed at the Nominating and Governance Committee meeting in March 2018.

In general, candidates for nomination to the Board are either suggested by Board members or Company employees or located by search firms engaged by the Nominating and Governance Committee. In accordance with the Company’s Bylaws, the Nominating and Governance Committee will also consider trustee nominations from shareholders. Shareholders who wish to recommend individuals for consideration by the Nominating and Governance Committee to become nominees for election to the Board at an annual shareholder meeting may do so by submitting all the materials required under Article III, Section 6(B) of the Bylaws to the Company’s Secretary at the following address: Investors Real Estate Trust, 1400 31st Avenue SW, Suite 60, P.O. Box 1988, Minot, ND 58702-1988. Submissions must be received by the Secretary no earlier than the close of business on the 120th day and no later than the close of business on the 90th day prior to the first anniversary of the preceding year’s annual meeting. However, if the Board increases the number of trustees to be

elected at an annual meeting but there is no public announcement by the Trust naming all of the nominees for the increased number at least 100 days prior to the first anniversary of the preceding year's annual meeting, then submissions, but only with respect to nominees for any new positions created by such increase, shall also be considered timely if received by the Secretary no later than the close of business on the 10th day following the day on which such public announcement is first made by the Company. The Nominating and Governance Committee will not alter the manner in which it evaluates candidates, including consideration of the factors set forth in its charter, based on whether the candidate was recommended by a shareholder or was identified by other means.

The Capital Markets Committee, which is composed of four trustees, has the authority to act on behalf of the Board to evaluate and approve proposed transactions, including effecting loans, capital expenditures and acquisitions and dispositions of property and other assets. The Capital Markets Committee is governed by a written charter that has been approved by the Board, most recently in August 2017.

The Executive Committee, which is composed of two independent trustees and Mr. Decker, has all of the powers of the Board with respect to the management and affairs of the Company, subject to limitations prescribed by the Board and by North Dakota law, between meetings of the Board when there is not sufficient time to present the action to the full Board at its next regularly scheduled meeting. The Executive Committee is governed by a written charter that has been approved by the Board.

The charters for the Audit, Compensation, Nominating and Governance, and Executive Committees and the Company's Governance Guidelines are posted on the Company's website at www.iretapartments.com under the "Corporate Governance" heading of the "Investors" section.

Audit Committee Financial Expert

The Board has determined that Mr. Dance, the Chair of the Audit Committee, and Mr. Caira and Ms. Hall, members of the Audit Committee, are all "audit committee financial experts," as that term is defined in applicable SEC rules.

Executive Sessions

The Board holds regular executive sessions at which independent trustees meet without Company management or employees present. Executive sessions are held not fewer than four times per year, at each regularly scheduled Board meeting.

Policy Regarding Diversity

The Company does not have a formal policy regarding diversity of membership of the Board of Trustees. The Nominating and Governance Committee recognizes the value of having a Board that encompasses a broad range of skills, expertise, contacts, industry knowledge, and diversity of opinion, but the Committee has not attempted to define "diversity," or otherwise require that the Board include individuals from any particular background or who possess specific attributes. Although not part of any formal policy, the Committee's goal in nominating trustee candidates is a balanced Board with members whose skills, backgrounds, and experience are complementary and, together, cover the spectrum of areas that impact the Company's business.

Board Role in Risk Oversight

Company management is responsible for the day-to-day management of risks the Company faces. The Board is actively involved in overseeing the Company's risk management. The Board's role in the Company's risk oversight process includes receiving regular reports from members of executive management, which include consideration of operational, financial, legal, regulatory, information technology, and strategic risks facing the Company. The Board does not view risk in isolation, as risks are considered in virtually every business decision made and as part of the Company's business strategy. Accordingly, the Board also works to oversee risk through its consideration and authorization of significant matters, such as major property acquisitions and dispositions; development projects; financing transactions; strategic operational initiatives such as the Company's transition to multifamily property focus from diversified property types; the adoption of basic Company policies such as the Company's Code of Conduct and Insider Trading Policy; and its oversight of management's implementation of those initiatives. In addition, each of the Company's Board committees considers risk within its area of responsibility, as follows:

- The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in areas of financial risk, internal controls, and compliance with legal and regulatory requirements. The Audit Committee interacts regularly in executive session with the Company's internal and independent auditors in carrying out these functions.
- The Compensation Committee oversees the Company's compensation policies and practices to help ensure sound pay practices that do not cause compensation risks to arise that are reasonably likely to have a material adverse effect on the Company.
- The Nominating and Governance Committee assists in oversight of the management of risks associated with Board organization, membership, and structure.

As a critical part of its risk management oversight role, the Board encourages full and open communication between management and the Board. Trustees are free to communicate directly with executive management. Executive management attends the regular meetings of the Board and is available to address any questions or concerns raised by the Board on risk management-related and other matters.

OTHER GOVERNANCE MATTERS

Code of Conduct and Code of Ethics for Senior Financial Officers

The Company's trustees, officers, and employees are required to comply with a Code of Conduct adopted by the Board. The Board adopted the Code of Conduct to codify and formalize certain of the Company's long-standing policies and principles that help ensure its business is conducted in accordance with the highest standards of moral and ethical behavior. The Code of Conduct covers several areas of professional conduct, including conflicts of interest, insider trading, corporate opportunities, discrimination and confidential information, as well as requiring strict adherence to all laws and regulations applicable to the Company's business. Employees are required to bring any violations and suspected violations of the Code of Conduct to the attention of the Company, through management, or Company legal counsel. Annually, the trustees and management sign acknowledgment forms attesting that they have read the Code of Conduct and understand their responsibilities under the Code of Conduct.

The Chief Executive Officer, Chief Financial Officer, and other senior financial officers performing similar functions are also subject to a Code of Ethics for Senior Financial Officers, adopted by the

Board, which contains certain policies regarding financial records; periodic reporting, filings, and other communications with the SEC, other regulators, and the public; and compliance with applicable laws, rules, and regulations in the conduct of the Company’s business and financial reporting.

The Code of Conduct and Code of Ethics for Senior Financial Officers are posted on the Company’s website at www.iretapartments.com under the “Corporate Governance” heading of the “Investors” section. The Company intends to disclose any future amendments to, or waivers of, the Code of Conduct, and the Code of Ethics for Senior Financial Officers on its website promptly following the date of any amendment or waiver, or by other method required or permitted under NYSE rules.

Clawback Policy

The Company has an Executive Incentive Compensation Recoupment Policy, more commonly known as a clawback policy, which applies to all executive officers, vice presidents, and senior vice presidents who receive incentive compensation. Under this policy, if the Company restates its financial statements due to material noncompliance with any financial reporting requirement under the U.S. federal securities laws, a person covered by the clawback policy will be required to reimburse or forfeit any incentive compensation received if such person engaged in fraud, intentional misconduct, or illegal behavior that caused or contributed to such restatement. The amount to be reimbursed or forfeited will be the amount of the incentive compensation paid or awarded to the person based on the erroneous financial data exceeding the amount that would have been paid based on restated results, as determined by the Board in its sole discretion. The Board will also determine the method for recouping such amounts and/or taking any other remedial and recovery action permitted by law. The policy applies to awards approved, awarded, or granted on or after the effective date of May 1, 2015. For more information on this policy, see “Compensation Discussion and Analysis — Clawback Policy” contained elsewhere in this Proxy Statement.

Equity Ownership and Retention Policy

Non-Employee Trustees

Under the Company’s Policy Regarding Share Ownership and Retention, which became effective on July 1, 2015, all non-employee trustees are required to own common shares, including shares issued as compensation for Board service, equal to the following:

	Required Ownership Multiple of Annual Cash Compensation
Non-Employee Trustees	3x

Trustees have five years to achieve this level of common share ownership beginning on the later of July 1, 2015 or the date the trustee was first appointed or elected to the Board. Once the Company certifies that a trustee has met the ownership requirement, future declines in common share value will not impact compliance as long as the trustee continues to own at least the same number of shares when certified. In addition, trustees are required to retain at least 60% of the shares issued to them by the Company as compensation for board service while serving as a trustee of the Company.

Ownership includes:

- shares owned directly by the participant, participant’s spouse, and/or children;

- shares held in a revocable trust for the benefit of the participant, participant’s spouse, and/or children;
- shares owned by an entity in which the participant has or shares the power to vote or dispose of the shares;
- shares held in a retirement account owned by the participant or participant’s spouse; and
- shares pursuant to an equity award that are to vest within 12 months.

Shares do not include shares pursuant to performance awards that have not yet been earned. The Company intends that equity awards granted by the Company under its equity compensation plans will satisfy the ownership requirements.

Senior Management

The Policy Regarding Share Ownership and Retention also applies to the Chief Executive Officer, Chief Financial Officer, any other executive vice presidents, and senior vice presidents of the Company. The ownership requirements are as follows:

	Required Ownership Multiple of Annual Cash Compensation
Chief Executive Officer	5x
Chief Financial Officer	2x
Other Executive Vice Presidents	2x
Senior Vice Presidents	1x

Officers have five years to achieve this level of common share ownership beginning on the later of July 1, 2015 or the date the officer was first appointed or hired as an officer. Once the Company certifies that an officer has met the ownership requirement, future declines in common share value will not impact compliance as long as the officer continues to own at least the same number of shares when certified. In addition, officers are required to retain at least 60% of the shares issued to them by the Company as compensation until the ownership requirement is reached, the officer ceases to be an applicable officer, or the officer ceases to be employed by the Company, whichever occurs first.

Hedging and Pledging Policy

Under the Company’s Policy Regarding Hedging and Pledging of Securities, the Company’s executive officers, senior vice presidents, any designated Section 16 officers, and trustees are prohibited from:

- (1) directly or indirectly engaging in hedging or monetization transactions, through transactions in the Company’s securities, or through the use of financial instruments designed for such purpose; or
- (2) pledging the Company’s securities as collateral for a loan, including through the use of traditional margin accounts with a broker.

Complaint Procedure

The Sarbanes-Oxley Act of 2002 requires companies to maintain procedures to receive, retain, and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Company’s Audit Committee has adopted a complaint procedure

that requires the Company to forward to the Audit Committee any complaints that it has received regarding financial statement disclosures, accounting, internal accounting controls, or auditing matters. Any employee of the Company may submit, on a confidential, anonymous basis if the employee so chooses, any concerns on accounting, internal accounting controls, auditing matters, or violations of the Company's Code of Conduct or Code of Ethics for Senior Financial Officers. All such employee concerns may be reported by means of the Company's whistleblower hotline or submitted in a sealed envelope to the Chair of the Audit Committee, in care of the Company's General Counsel, who will forward any such envelopes promptly and unopened. The Audit Committee will investigate any such complaints submitted.

Communications to the Board

The Board recommends that shareholders and other interested parties initiate any communications with the Board in writing. Shareholders and other interested parties may send written communications to the Board, the Audit Committee, the Compensation and Nominating Committee, or to any individual trustee c/o the Secretary, Investors Real Estate Trust, 1400 31st Avenue SW, Suite 60, P.O. Box 1988, Minot, ND 58702-1988, or via e-mail to trustees@iret.com. All communications will be compiled by the Secretary and forwarded to the Board, the specified Board committee, or to individual trustees, as the case may be, not less frequently than monthly. This centralized process will assist the Board in reviewing and responding to communications in an appropriate manner. The name of any specific intended board recipient should be noted in the communication.

RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Transactions with BMO Capital Markets

The Company has an historical and ongoing relationship with BMO Capital Markets (“BMO”). On July 17, 2017, the Company engaged BMO to provide financial advisory services in connection with the proposed disposition of the Company’s healthcare property portfolio. A family member of Mark O. Decker, Jr., the Company’s President and Chief Executive Officer, is an employee of BMO and could have an indirect material interest in any such engagement and related transaction(s). The Board pre-approved the engagement of BMO. During the fiscal year ended April 30, 2018, the Company completed the disposition of 27 of its 28 healthcare properties and paid BMO a transaction fee of \$1.8 million in connection with this engagement.

Transaction with the Company

On July 6, 2017, the Company purchased 33,755 Company common shares from John D. Stewart, a member of the Board of Trustees, under the Company’s current share repurchase program. The shares were purchased for an aggregate amount of \$195,779, or \$5.80 per share, which was below the shares’ closing prices of \$6.28 per share on July 5, 2017, and \$6.11 per share on July 6, 2017. The Board had pre-approved the purchase of Mr. Stewart’s shares.

Related Party Transactions Policy

The Board has adopted the Related Party Transactions Policy, which sets forth the Company’s policies and procedures for the review, approval, or ratification of any related party transaction required to be reported in the Company’s filings with the SEC. The policy applies to any transaction, arrangement, or relationship or series of similar transactions, arrangements, or relationships in which the Company or any of its subsidiaries is a participant, the aggregate amount involved will or may be expected to exceed \$120,000 in any fiscal year, and a related party has or will have a direct or indirect interest (other than solely as a result of being a director or a less than 10 percent beneficial owner of another entity).

The Audit Committee must approve any related party transaction subject to this policy before commencement of the transaction. If it is not practicable to wait until the next Audit Committee meeting, the Chair of the Audit Committee has the delegated authority to pre-approve, or ratify, as applicable, any related party transaction in which the aggregate amount involved is expected to be less than \$250,000. Related party transactions that are identified as such subsequent to their commencement will promptly be submitted to the Audit Committee or the Chair of the Audit Committee, which shall, if they determine it to be appropriate, ratify the transaction. The Audit Committee will annually review all ongoing related party transactions and assess whether they remain appropriate. Under the policy, the Audit Committee or its Chair shall approve only those related party transactions that are in, or are not inconsistent with, the best interests of the Company and its shareholders, as determined by the Committee or the Chair in good faith.

TRUSTEE COMPENSATION

Trustees who are employees of the Company do not receive any separate compensation or other consideration, direct or indirect, for service as a trustee. During the fiscal year ended April 30, 2018, trustees not employed by the Company received the following compensation:

BASE COMPENSATION	
Position:	Compensation:
All non-management trustees:	(1) Annual cash fee of \$40,000;

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Description of Proposal

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (“Dodd-Frank Act”), this Proposal 2, commonly known as a “say on pay” proposal, provides the Company’s shareholders the opportunity to express their views on the compensation of the Company’s named executive officers by voting, on an advisory basis, on the compensation of the named executive officers as disclosed in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies, and practices described in this Proxy Statement.

Please review the section titled “*Compensation Discussion and Analysis*” for details regarding the Company’s executive compensation program, including the portion titled “*CD&A Executive Summary and Fiscal Year 2018 Achievements — Fiscal Year 2018 Compensation Summary*,” which summarizes significant components of the Company’s executive compensation program and actions taken by the Compensation Committee.

The Company is asking its shareholders to indicate their support for the named executive officers’ compensation as described in this Proxy Statement. Accordingly, the Board recommends that shareholders vote in favor of the following resolution:

“RESOLVED, that the Company’s shareholders hereby approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Company’s Proxy Statement for the 2018 Annual Meeting of Shareholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission (Item 402 of Regulation S-K), including the Compensation Discussion and Analysis, compensation tables, and narrative discussion.”

As provided by the Dodd-Frank Act, the say-on-pay vote is advisory and therefore not binding on the Company, the Board, or the Compensation Committee. However, the Board and the Compensation Committee value the opinions of the shareholders, and to the extent there are a significant number of votes against the compensation of the named executive officers as disclosed in this Proxy Statement, the Board and Compensation Committee will consider the shareholders’ concerns and evaluate what actions are necessary to address those concerns.

Required Vote

This proposal requires the affirmative vote of a majority of the votes cast by the shareholders present in person or by proxy at the Annual Meeting, provided a quorum is present, for approval.

Proxies solicited by the Board will be voted FOR the approval of the compensation of the named executive officers unless a contrary vote is specified.

Vote Recommended

The Board recommends that shareholders vote FOR the approval of the compensation of the named executive officers as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

CD&A Executive Summary and Fiscal Year 2018 Achievements

Fiscal Year 2018 Performance Achievements

During fiscal year 2018, the Company substantially completed its transition to a focused multifamily company by achieving the following:

- Sold 50 commercial and other non-core multifamily properties for an aggregate sales price of \$515.1 million. The Company used a portion of the proceeds from these sales to purchase four apartment communities with 1,355 homes located in the Company's strategic growth markets for \$373.1 million.
- Achieved same-store revenue growth of 4.3% over the prior fiscal year, driven by a 2.4% increase in occupancy and 1.9% increase in revenue per occupied home. The Company realized these increases through a combination of initiatives, including better revenue management across the portfolio and the expansion of utility billings and ancillary revenue programs.
- Experienced elevated same-store expense growth of 9.5% over the prior fiscal year, driven by previously disclosed changes to capitalization policies, additional costs related to increasing occupancy, higher labor costs, and increased real estate taxes.
- Posted same-store NOI growth of 0.4% over the prior fiscal year, driven by the aforementioned revenue growth of 4.3% but offset by a 9.5% increase in expenses.
- Established a new senior management team to complete the portfolio transition and continue the operational improvements while achieving a \$1.6 million year-over-year reduction in general and administrative expenses.
- Strengthened the Board of Trustees with two new trustees who add expertise in customer-facing service operations and technology applications as well as public company leadership experience in both board and management roles.

Fiscal Year 2018 Compensation Summary

The primary goal of the Company's executive compensation program is to attract and retain highly qualified and experienced executive talent and align the interests of the executive officers with those of the shareholders. Below is a summary of some of the key attributes that define the Company's executive compensation program approved for fiscal year 2018.

- A significant portion of each executive officer's total compensation was based on performance.
- Long-term incentive share awards, or LTIP awards, were based on forward-looking, three-year performance and continuous employment during such period.
- Under the fiscal year 2017 LTIP (the "2017 LTIP"), each executive officer received: (1) 75% of the target LTIP award in performance shares ("performance-based LTIP awards"); and (2) 25% in time-based restricted shares ("time-based LTIP awards").

- Under the fiscal year 2018 LTIP (the “2018 LTIP”), each executive officer received: (1) two-thirds of the target LTIP award in performance shares (“performance-based LTIP awards”); and (2) one-third in time-based restricted shares (“time-based LTIP awards”).
- Under the 2018 LTIP, 50% of the performance-based metric is based on the Company’s achievement of certain 3-year leverage ratios under a covenant contained in the Company’s line of credit, and the other 50% is based upon the Company’s total shareholder return compared to the MSCI U.S. REIT Index over a three-year measurement period.
- The time-based LTIP awards vest ratably over three years if the officer remains in the continuous employ of the Company through each of the applicable vesting dates.
- The performance-based LTIP awards are earned at the end of a three-year performance period and vest, to the extent earned, 100% after the conclusion of the performance period.
- The 2018 short-term incentive cash awards, or STIP awards (the “2018 STIP”), included two objective performance measures – the annualized run rate of the Company’s Funds from Operations (“FFO”) per share/unit for the fourth quarter of fiscal 2018 (40% of the STIP), and same store Net Operating Income, or NOI, growth from the prior fiscal year (40% of the STIP) – plus the achievement of certain personal goals (20% of the STIP).
- There are no guaranteed minimum STIP or LTIP payouts.
- There are no guaranteed annual salary increases.
- Executive officers are subject to a clawback policy, a share ownership and retention policy, and a policy prohibiting hedging and pledging of the Company’s securities.
- Change in control agreements entered into with executive officers contain double trigger language (i.e., a change of control and employment is terminated without cause or by the officer for good reason) and require conditions for payment.

Say-On-Pay Results and Consideration

Say-On-Pay Voting Results for 2017

At the Company’s 2017 Annual Meeting of Shareholders, the shareholders’ advisory vote on executive compensation received the approval of approximately 96.6% of the votes cast on the proposal. The Compensation Committee believes that the result of the advisory vote is valuable in assessing its compensation decisions and considered the vote in reviewing and evaluating its executive compensation programs. The Compensation Committee also considered numerous other factors in evaluating the Company’s executive compensation programs as discussed in this Proxy Statement, including its desire to continue to enhance the alignment of its executives and the shareholders. While each of these factors informed the Committee’s decisions regarding the named executive officers’ compensation, the Compensation Committee did not implement any changes to the Company’s executive compensation programs as a result of the shareholder advisory vote.

Say-On-Frequency Voting Results

At the Company’s 2017 Annual Meeting of Shareholders, a majority of the Company’s shareholders voting on the non-binding advisory resolution on the frequency of holding future advisory votes on executive compensation chose in favor of holding an advisory vote on executive compensation every year. The Board considered the voting results on that proposal and adopted a policy providing for an

annual advisory shareholder vote on the Company's executive compensation. The next required "say-on-frequency" advisory vote will occur at the Company's 2023 Annual Meeting of Shareholders.

Named Executive Officers

The following Compensation Discussion and Analysis describes the material elements of compensation for the following individuals, collectively referred to as the "named executive officers":

- *Mark O. Decker, Jr.*, Chief Executive Officer since April 30, 2017, and President and Chief Investment Officer since August 8, 2016;
- *Anne M. Olson*, Executive Vice President, General Counsel, and Secretary since April 30, 2017, and Chief Operating Officer since June 25, 2018;
- *John A. Kirchmann*, Executive Vice President since April 30, 2017, and Chief Financial Officer since June 29, 2017; and
- *Andrew Martin*, Executive Vice President – Property Operations, until his resignation on June 25, 2018.

Ted E. Holmes served as Executive Vice President and Chief Financial Officer of the Company from May 1, 2017 through June 29, 2017. The Company did not have any other executive officers during the fiscal year ended April 30, 2018.

Executive Compensation Philosophy

The Compensation Committee, composed entirely of trustees who are independent under the listing standards of the NYSE, operates under a written charter adopted on December 5, 2012, as amended on March 15, 2017, and is responsible for establishing the terms of the compensation of the Company's named executive officers. The Compensation Committee believes that the Company's compensation program for executive officers should:

- attract and retain highly qualified executives;
- motivate these executives to improve the Company's financial position and increase shareholder value on an annual and long-term basis;
- target "total compensation" reflective of the Company's relative size compared to peers;
- promote management accountability for financial and operational performance;
- provide a total compensation pay mix that includes both base salary and cash and equity incentive components; and
- promote teamwork and cooperation throughout the Company and within the management group.

The Compensation Committee applied this philosophy in establishing each of the elements of executive compensation for fiscal year 2018. The Compensation Committee's goal was to align executive compensation with measurable performance and to compare executive compensation with peers and industry-specific market data, in order to design an executive compensation program that would attract and retain talented executives, provide incentives to executives to achieve certain performance targets,

and link executive compensation to shareholder results by rewarding competitive and superior performance.

Executive Officer Compensation Processes

The Compensation Committee meets in executive session without management present to discuss various compensation matters, including the compensation of the Chief Executive Officer. In addition, the Compensation Committee annually reviews all elements of executive compensation and benefit programs for reasonableness and cost-effectiveness. Pursuant to the Company's Declaration of Trust, the Board may form and delegate the authority of the Compensation Committee to subcommittees composed entirely of independent trustees, when appropriate, to take any of the actions that the Compensation Committee is empowered to take. To date, the Board has not made provisions for the Compensation Committee to delegate any of its authority, except that the Company's CEO may grant stock awards, stock unit awards, and incentive awards to non-Section 16 officers under the terms of the 2015 Incentive Plan, provided that such awards shall not exceed 20,000 shares in any calendar year and that the CEO shall provide a report to the Compensation Committee not less than annually on any awards granted pursuant to this delegated authority.

The Compensation Committee has engaged Meridian Compensation Consultants, LLC ("Meridian") as an independent consultant to advise the Compensation Committee on executive compensation matters. During this engagement, the consultant assisted in developing an appropriate peer group and conducted an analysis and peer comparison of total compensation. The consultant was engaged directly by the Compensation Committee, although it periodically interacted with management to gather relevant data. At the time of engagement, based on information from Meridian and the trustees and executive officers confirming no business or personal relationships with Meridian, the Compensation Committee concluded that the consultant was independent from the Company and that the work of the consultant did not raise any conflict of interest.

Executive Compensation Program

Consistent with its previous determination regarding executive officer compensation, the Compensation Committee determined that the compensation of executive officers should consist of a higher percentage of variable pay (i.e., incentive compensation) to fixed pay (i.e., base salary). The Compensation Committee further determined that executive officer compensation should be market-adjusted and established with reference to a peer group of public real estate investment trusts ("REITs") based on similar asset focus, size in terms of assets, and revenue and geographic location. The peer group Meridian assisted in developing and used for comparison of total executive compensation, consisted of the following REITs (the "Peer Group"):

- American Assets Trust Inc.
- Camden Property Trust
- Education Realty Trust Inc.
- First Potomac Realty Trust⁽¹⁾
- Monogram Residential Trust⁽²⁾
- UDR, Inc.
- American Campus Communities
- DCT Industrial Trust Inc.
- Equity LifeStyle Properties
- Kite Realty Group Trust
- Silver Bay Realty Trust⁽³⁾
- Washington Real Estate Investment Trust
- BRT Apartments Corp.
- East Group Properties
- First Industrial Realty Trust Inc.
- Mid-America Apartment Communities, Inc.
- Sun Communities, Inc.
- Whitestone Real Estate Investment Trust

(1) On October 2, 2017, Government Properties Income Trust completed the acquisition of First Potomac Realty Trust, with Government Properties Income Trust being the surviving entity.

(2) On September 19, 2017, Greystar completed the acquisition of Monogram Residential Trust, with Greystar's affiliate being the surviving entity.

(3) On May 9, 2017, Silver Bay Realty Trust Corp. was merged with Tricon Capital Group, Inc., with Tricon's affiliate being the surviving entity.

Based on comparisons with the Peer Group, the Compensation Committee determined that no base salary increases were appropriate at this time. In establishing the salaries of the executive officers, the Compensation Committee also considered internal equity among executive officers, individual and Company performance, and cost to the Company.

In establishing incentive compensation for executive officers, the Compensation Committee reviewed the comparisons between the Company and the Peer Group as to the types of incentive awards utilized, structure of the incentive awards, and performance metrics utilized.

Role of Management in Executive Compensation Decisions

During fiscal year 2018, Company management was involved in the following executive compensation processes:

- the Chief Executive Officer, Chief Financial Officer, General Counsel, and Vice President of Human Resources, as requested by the Compensation Committee, developed or oversaw the creation of written background and supporting materials for distribution to the Compensation Committee prior to its meetings.
- near the end of the fiscal year, the Chief Executive Officer provided the Compensation Committee with comments and recommendations regarding salary levels and salary increases for members of management, including the named executive officers (other than for the Chief Executive Officer).

Components of the Executive Compensation Program

The primary elements of the Company's executive compensation program in fiscal year 2018 were:

- base salary;
- short- and long-term incentive awards;
- health and retirement programs; and
- executive benefits and perquisites.

Base Salary

Base salaries for the named executive officers, including the CEO, are designed to compensate such individuals for their sustained performance. Base salaries for fiscal year 2018 were established by evaluating the responsibilities of the position held, the experience of the particular individual, and the Compensation Committee's desire to achieve the appropriate mix between fixed compensation and incentive compensation. The Compensation Committee also reviewed salaries paid for comparable positions by the peer groups, as indicated above. The base salaries of the named executive officers are reviewed and adjusted on a fiscal year basis, based on, among other factors, the individual's performance over the past year, changes in the individual's responsibility and/or necessary adjustments to maintain base salaries that are competitive in view of prevailing wage rates and inflation, if any.

Mark O. Decker, Jr.	\$444,050
John A. Kirchmann	\$325,000
Anne M. Olson	\$325,000
Andrew Martin ⁽¹⁾	\$250,000

(1) Mr. Martin's base salary was increased to \$250,000 in March 2018.

Short-Term Incentive Awards

The short-term incentive program (“STIP”) for fiscal year 2018 was developed under the 2015 Plan and is subject to the terms and limitations of the 2015 Plan. The STIP was recommended by the Compensation Committee and approved by the independent trustees.

Under the STIP, the Company’s named executive officers are provided the opportunity to earn awards, payable 100% in cash, based on the degree of attaining specified performance goals of the Company over a one-year performance period beginning on the first day of the fiscal year. The executive officers must be employed by the Company on the last day of the performance period, April 30, 2018, to receive the award. Target STIP was based on a percentage of the named executive officer’s base salary in effect as of May 1, 2017: 100% for Mr. Decker and 70% for the other eligible named executive officers. Each named executive officer’s total award opportunity under the STIP, stated as a percentage of base salary in effect as of the first day of the performance period, May 1, 2017, for “threshold,” “target,” and “maximum” performance levels are 50%, 100% and 150%, respectively. For the awards, 80% of the award was based on achieving objective performance goals (40% based on FFO run rate from the 4th quarter of fiscal 2018 (“Q4 FFO Run Rate”) and 40% based on Same Store NOI Growth) and 20% was based on achieving subjective performance goals (10% based on progress on execution of strategic plan and 10% based on meeting individual personal goals). If achievement of an objective performance goal falls between the threshold and target performance levels or between target and maximum performance levels, that portion of the award will be determined by linear interpolation.

FFO, as defined by NAREIT, is equal to a REIT’s net income, excluding gains or losses from sales of property, plus real estate depreciation. The portion of the 2018 STIP based on Q4 FFO Run Rate was computed by calculating the Company’s FFO for the fourth quarter of fiscal year 2018 and then adjusting that number to (1) add back land impairment (which represents a non-cash charge and which is consistent with the Company’s treatment of impairment charges on non-land assets) and (2) reflect the Company’s acquisition of its Westend property in Denver, Colorado as though it had been acquired on the first day of the fourth quarter (in order to reflect the true run rate going forward). This Q4 FFO Run Rate was then annualized and calculated on a per share/unit basis. The performance goals for the Q4 FFO Run Rate performance metric were set by the independent trustees within the first 90 days of the one-year performance period (taking into account input from the Board of Trustees and the Chief Executive Officer), and were as follows: threshold at \$0.36, target at \$0.41 and maximum at \$0.45.

Same-store NOI growth is calculated as the increase of same-store NOI over prior year same-store NOI. NOI, as defined in the Company’s filings with the SEC, is total real estate revenues less property operating expenses and real estate tax expense (combined). The performance goals for this performance metric were set by the independent trustees within the first 90 days of the one-year performance period (taking into account input from the Board of Trustees and the Chief Executive Officer), and were as follows: threshold at -4% , target at -2% and maximum at 0% .

The table below summarizes the total STIP payout earned by the named executive officers serving during or at the end of the fiscal year 2018.

Name	FFO Run Rate ⁽¹⁾	Same-Store NOI Growth ⁽²⁾	Strategic Plan ⁽³⁾	Personal Goals ⁽³⁾	Total Payout	% of Target
Mark O. Decker, Jr.	\$110,124	\$266,430	\$66,608	\$66,607	\$509,769	115%
John A. Kirchmann	\$ 56,420	\$136,500	\$22,750	\$22,750	\$238,420	105%
Anne M. Olson	\$ 56,420	\$136,500	\$34,125	\$34,125	\$261,170	115%
Andrew Martin	\$ 43,000	\$105,000	\$17,500	\$17,500	\$183,000	105%

1. For fiscal year 2018, for Company generated a Q4 FFO Run Rate of \$0.372 per share/unit, which exceeded the “threshold” level, with a 62% payout based on linear interpolation between the “threshold” and “target” levels.
2. The Company’s same-store NOI growth was 0.1%, which exceeded the “maximum” performance metric and resulted in a 150% payout.
3. With respect to the subjective goals relating to progress on execution of the strategic plan (10%) and meeting individual personal goals (10%), the Compensation Committee, with the approval of the independent trustees, determined that all of the named executive officers met both subjective criteria of their STIP awards, with the awards to Messrs. Kirchmann and Martin at the “target” performance level and Mr. Decker and Ms. Olson at the “maximum” performance level.

Long-Term Incentive Awards

The long-term incentive awards are issued pursuant to the 2015 Plan and are subject to the terms and limitations of the 2015 Plan. The awards are evidenced by individual award agreements, which allows the Compensation Committee the flexibility to make changes easily in the future to reflect best practices in the market and REIT industry.

2018 LTIP

On June 20, 2017, the Compensation Committee recommended, and the independent trustees approved, a new long-term incentive program for fiscal year 2018 (“2018 LTIP”) under the 2015 Plan to be consistent with best practices in the market and align more closely with the Company’s compensation program goals. As of June 20, 2017, 2018 LTIP awards were granted to the named executive officers. The 2018 LTIP awards include both performance-based elements (67%) and time-based elements (33%). The performance-based LTIP awards are equally split between (1) the Company’s total shareholder return (“TSR”) compared to a market index, and (2) the Company’s leverage ratio, as calculated under its line of credit. The time-based LTIP awards consist of time-based RSUs with a three-year vesting period.

Target LTIP was based on a percentage of the named executive officer’s base salary in effect as of May 1, 2018: 100% for Mr. Decker and 70% for the other eligible named executive officers. To prepare the LTIP award agreements, the percentage of salary was then converted into a number of common shares based on the average closing price of the common shares for the 20 trading days prior to the grant date to determine the number of Target Shares. The performance period for the 2018 LTIP performance-based awards extends from May 1, 2017 through April 30, 2020. Each of the performance-based 2018 LTIP awards are described in greater detail below.

TSR vs. MSCI U.S. REIT Index

Fifty percent (50%) of the performance-based 2018 LTIP awards are earned based on the Company's total shareholder return ("TSR") over a three-year period, ending on April 30, 2020, as compared to the TSRs of the constituent members of the MSCI U.S. REIT Index over the same measurement period, ranging from 0% up to 200% of the performance-based Target Shares based on threshold, target and maximum performance levels as set forth in the table below:

	TSR Percentile for the Performance Period	Number of Performance-Based Target Shares Earned
Below Threshold	Below 25th percentile	None
Threshold	25th percentile	25% of Performance-Based Target Shares
Target	50th percentile	100% of Performance-Based Target Shares
Maximum	75th percentile	200% of Performance-Based Target Shares

Company TSR is the compounded annual growth rate, expressed as a percentage (rounded to the nearest tenth of a percent (0.1%)) in the value of a share during the performance period reflecting the appreciation/depreciation in the price per share and distributions paid on a share during the performance period, including the reinvestment of distributions. The Company TSR for the performance period will be calculated as follows: (1) the closing price of a share on the last day of such performance period (but using the average closing price for the 20 trading days ending on the last day of the performance period) plus distributions paid during such period, divided by (2) the closing price of a share on the first day of such performance period (but using the average closing price for the 20 trading days ending before the first day of the performance period). If the performance period ends on account of a change in control, the Company TSR for the period from the most recent fiscal year end to the change in control date will be annualized for purposes of calculating the Company TSR. The TSR of a constituent member of the MSCI U.S. REIT Index will be the TSR of such member, calculated in accordance with the methodology described above for Company TSR.

If achievement falls between two performance levels, then linear interpolation will be used to determine the number of earned shares. If the named executive officer remains in the continuous employ of the Company or an affiliate from the date of grant until the end of the performance period, then the earned shares will fully vest at the end of the performance period. If the named executive officer's employment is terminated before the end of the performance period for either good reason by the officer, without cause by the Company, or upon the officer's death or disability (a "Qualifying Termination"), then a pro rata portion of the earned shares will vest at the end of the performance period. If a change in control occurs before the end of the performance period, then a pro rata portion of the earned shares will vest on the change of control date.

Consolidated Leverage Ratio under the Company's Line of Credit

Fifty percent (50%) of the performance-based 2018 LTIP awards are based on the Company's three-year consolidated leverage ratio calculated under the Company's \$300 million line of credit. The "consolidated leverage ratio" is the ratio of (1) the Company's total indebtedness as of such date to (2) the total asset value of the Company's real properties, subject to adjustment as specified under the terms of the Credit Agreement, dated January 31, 2017, which was filed with the SEC on March 13, 2017 as Exhibit 10.1 to the Company's Quarterly Report on Form 10-Q for the quarter ended

January 31, 2017, and is available on the SEC’s website at www.sec.gov. The components of the consolidated leverage ratio test under the Credit Agreement are as follows:

	Consolidated Leverage Ratio	Number of Performance-Based Target Shares Earned
Below Threshold	50% or more	None
Threshold	<50%	25% of Performance-Based Target Shares
Target	48%	100% of Performance-Based Target Shares
Maximum	<42%	200% of Performance-Based Target Shares

If achievement falls between two performance levels, then linear interpolation will be used to determine the number of earned shares. If the named executive officer remains in the continuous employ of the Company or an affiliate from the date of grant until the end of the performance period, then the earned shares will fully vest at the end of the performance period. If the named executive officer’s employment is terminated before the end of the performance period for either good reason by the officer, without cause by the Company, or upon the officer’s death or disability (a “Qualifying Termination”), then a pro rata portion of the earned shares will vest at the end of the performance period. If a change in control occurs before the end of the performance period, then a pro rata portion of the earned shares will vest on the change of control date.

Time-based 2018 LTIP Awards

The time-based LTIP awards were granted at the target award level, or 100% of the Target Shares multiplied by 33.33%, and vest as to one-third of the shares on each of June 21, 2018, May 1, 2019, and May 1, 2020 if the named executive officer remains in the continuous employ of the Company or an affiliate through each of the applicable vesting dates. If the officer’s employment is terminated due to death or disability before the last vesting date, then any shares that remain unvested will vest in full as of the date of such termination. If a change of control occurs before the last vesting date and the officer’s employment is terminated in a Qualifying Termination as of the change of control date, or within twelve months of the change of control date, then any shares that remain unvested will vest in full as of the change in control date.

As of June 21, 2018, one-third of the shares under the time-based 2018 LTIP awards granted to the named executive officers were fully vested in accordance with the terms of the award agreements. The performance period for the performance-based 2018 LTIP awards granted to the named executive officers is still in progress.

2017 LTIP

On June 22, 2016, the Compensation Committee recommended, and the independent trustees approved, a new long-term incentive program for fiscal year 2017 (“2017 LTIP”) under the 2015 Plan to be more consistent with best practices in the market and align more closely with the Company’s compensation program goals, and granted, as of June 22, 2016 and August 8, 2016, 2017 LTIP awards to the named executive officers at that time. Mr. Decker is the only current named executive officer who is eligible for the 2017 LTIP. The performance period for the 2017 LTIP performance-based awards extends from May 1, 2016 through April 30, 2019.

Under the 2017 LTIP, eligible named executive officers received: (1) 75% of the award in performance shares (“performance-based LTIP award”); and (2) 25% in time-based restricted shares (“time-based LTIP award”). Target LTIP was based on a percentage of the named executive officer’s base salary in effect as of May 1, 2016 for eligible named executive officers and August 8, 2016 for Mr. Decker: 85% for Mr. Decker and 70% for the other eligible named executive officers. To prepare the LTIP award agreements, the percentage of salary was then converted into a number of common shares based on the average closing price of the common shares for the 20 trading days prior to the grant date to determine the number of Target Shares.

The performance-based LTIP awards were granted based on the Company’s TSR over a three-year period, ending on April 30, 2019, as compared to the TSRs of the constituent members of the MSCI U.S. REIT Index over the same measurement period, ranging from 0% up to 200% of the performance-based Target Shares based on threshold, target, and maximum performance levels as set forth in the table below:

	TSR Percentile for the Performance Period	Number of Performance-Based Target Shares Earned
Below Threshold	Below 25th percentile	None
Threshold	25th percentile	25% of Performance-Based Target Shares
Target	50th percentile	100% of Performance-Based Target Shares
Maximum	75th percentile	200% of Performance-Based Target Shares

Company TSR and MSCI U.S. REIT returns are calculated in the same manner as described under the “2018 LTIP – TSR vs. MSCI U.S. REIT Index” section above, as are the other qualifying conditions.

Time-based 2017 LTIP Awards

The time-based LTIP awards were granted at the target award level, or 100% of the Target Shares multiplied by 25%, and vest as to one-third of the shares on each of June 22, 2017, May 1, 2018, and May 1, 2019 (or August 8, 2017, May 1, 2018, and May 1, 2019 for Mr. Decker’s award) if the named executive officer remains in the continuous employ of the Company or an affiliate through each of the applicable vesting dates. If the officer’s employment is terminated due to death or disability before the last vesting date, then any shares that remain unvested will vest in full as of the date of such termination. If a change of control occurs before the last vesting date and the officer’s employment is terminated in a Qualifying Termination as of the change of control date, or within twelve months of the change of control date, then any shares that remain unvested will vest in full as of the change in control date.

As of May 1, 2018, two-thirds of the shares under the time-based 2017 LTIP awards granted to Mr. Martin were fully vested in accordance with the terms of the award agreements. As of May 1, 2018, two-thirds of the shares under the time-based 2017 LTIP awards granted to Mr. Decker were fully vested in accordance with the terms of the award agreements. The performance-based 2017 LTIP awards granted to Mr. Decker remains outstanding. In connection with Mr. Martin’s severance agreement, he forfeited any additional performance-based awards, but his time-based awards vested upon his severance on June 25, 2018.

2016 LTIP

On September 15, 2015, the Compensation Committee recommended, and the independent trustees approved, a long-term incentive program for fiscal year 2016 (“2016 LTIP”) under the 2015 Plan, immediately following shareholder approval of the 2015 Plan at the 2015 annual meeting of shareholders, and granted, as of September 16, 2015, 2016 LTIP awards to the named executive officers at that time. During the fiscal year ended April 30, 2018, Mr. Martin was the only current named executive officer who was eligible to participate in the 2016 LTIP.

Under the 2016 LTIP awards, named executive officers were provided the opportunity to earn awards, payable 100% in shares, based on the degree of attaining specified performance goals of the Company over a three-year, forward-looking performance period, in the same manner as described under the 2018 LTIP with respect to the Company TSR compared to the MSCI U.S. REIT Index.

As of April 30, 2018, the Company’s performance, calculated in accordance with the terms of the awards, was below the threshold level. Accordingly, no LTIP awards were earned by the Mr. Martin. In connection with his severance agreement, Mr. Martin forfeited any additional performance-based awards, but his time-based awards vested upon his severance on June 25, 2018.

Health, Retirement and Other Benefits

In an effort to attract, retain and fairly compensate talented employees, the Company offers various benefit plans to its employees, including a 401(k) benefit plan, and health, life insurance, and disability plans. These benefit plans are part of the Company’s broad-based employee benefits program, and none of these plans are offered to the named executive officers either exclusively or with terms different from those offered to other eligible Company employees.

Executive Benefits and Perquisites

As noted above, the Company’s named executive officers are generally offered the same employee benefits and perquisites offered to all employees. In fiscal year 2018, the only benefits or perquisites offered to any named executive officer either exclusively or with terms different from those offered to other eligible Company employees were the following: the provision of a data plan to all named executive officers, in addition to the Company’s standard cell phone plan for employees. The Company provides executive benefits and perquisites to retain executive talent. The total value of all perquisites received by any of the named executive officers in fiscal year 2018 was less than \$10,000.

Compensation Elements and Basis for Compensation of Named Executive Officers

The components of the Company’s executive compensation program (base salary, incentive awards, health, retirement, and other benefits, and executive benefits and perquisites) for fiscal year 2018 are discussed above. The key factors the Compensation Committee considered in setting or approving the compensation for the named executive officers are discussed below and include the nature, scope, and level of their respective responsibilities and their individual contribution to the Company’s operational and financial results. These factors were considered as a whole, and no one factor was determinative of an executive’s compensation, and they were based upon a subjective, non-formulaic and informal evaluation of senior executive performance by the Compensation Committee together with the CEO, as discussed above. Additionally, in the case of senior executive officers other than the CEO, the Compensation Committee generally deferred to the recommendations of the CEO.

Basis for Compensation of the Chief Executive Officer. Mr. Decker’s salary for fiscal year 2018 was based on an evaluation of those factors previously described and was approved by the

Compensation Committee and the independent trustees. Among the factors considered were the Company's performance in the current economic environment, the impact of the economic conditions on the Company's operating and performance metrics (including FFO, occupancy levels, and disposition/acquisition activity), and the responsibility and workload due to implementing the Company's strategic plan to become a pure multifamily REIT and operational complexity. These factors were considered as a whole, and no numerical weight was attributed to any particular factor. The incentive awards granted to Mr. Decker for fiscal year 2018 were granted based on the criteria and calculated in accordance with the formulas described above in the "*Short-Term Incentive Awards*" and "*Long-Term Incentive Awards*" section of this Compensation Discussion and Analysis.

Basis for Compensation of Other Named Executive Officers. The salaries for the named executive officers, other than the CEO, for fiscal year 2018 was based on the recommendations of the CEO following his evaluation of those factors previously described and was approved by the Compensation Committee and the independent trustees. Among the factors considered were the Company's performance in the current economic environment, the impact of the economic conditions on the Company's operating and performance metrics (including FFO, occupancy levels and disposition/acquisition activity), and the responsibility and workload due to implementing the Company's strategic plan to become a pure multifamily REIT and operational complexity. These factors were considered as a whole, and no numerical weight was attributed to any particular factor. The incentive awards granted to the other named executive officers for fiscal year 2018 were granted based on the criteria and calculated in accordance with the formulas described above in the "*Short-Term Incentive Awards*" and "*Long-Term Incentive Awards*" section of this Compensation Discussion and Analysis.

Signing Bonus/Retention Awards and Agreements

On August 8, 2016, when Mark O. Decker, Jr. was appointed President and Chief Investment Officer, the Company granted Mr. Decker a signing share bonus award of 30,675 shares, determined by dividing \$200,000 by the average closing price for the Company's shares for the 20 trading days prior to August 8, 2016. This signing share bonus award vests in three equal installments on August 8, 2017, August 8, 2018, and August 8, 2019, if he remains in the continuous employ of the Company through each of the applicable vesting dates.

In connection with the leadership transitions in April 2017, the Company granted retention awards to Mark O. Decker, Jr., effective May 1, 2017. Mr. Decker received a cash retention bonus of \$100,000 and a retention share award for 16,477 shares, determined by dividing \$100,000 by the average closing price for the Company's common shares for the 20 trading days prior to April 30, 2017. This retention share award vests in three equal installments on May 1, 2018, May 1, 2019, and May 1, 2020, if he remains in the continuous employ of the Company through each of the applicable vesting dates. If Mr. Decker voluntarily terminates his employment with the Company prior to May 1, 2020, he will be obligated to repay the cash retention bonus as follows: (1) 100% if he terminates employment on or before May 1, 2018; (2) 67% if he terminates employment after May 1, 2018, but on or before May 1, 2019; and (3) 33% if he terminates employment after May 1, 2019, but on or before May 1, 2020.

In connection with the leadership transitions in April 2017, on April 30, 2017, John A. Kirchmann joined the Company as an Executive Vice President, and Anne M. Olson joined as an Executive Vice President and the new General Counsel and Secretary. On the same date, the Company granted Mr. Kirchmann and Ms. Olson each a signing share bonus award of 24,671 shares, determined by dividing \$150,000 by the average closing prices for the Company's common stock for the 20 trading days prior to the grant date. These signing share bonus awards vest as to one-third of the shares on each of April 30, 2018, April 30, 2019, and April 30, 2020 if they remain in the continuous employ of the Company through each of the applicable vesting dates.

Resignation and Severance Agreements

Effective on July 13, 2017, the Company entered into a resignation and release agreement with Ted E. Holmes in connection with his resignation as Executive Vice President and Chief Financial Officer. Under this agreement, Mr. Holmes received a lump-sum severance payment of \$281,516.75 (equal to 0.75 times his current base salary plus 0.75 times the average annual earned cash bonus for the previous three years), plus a cash payment of \$13,274.10 (which equals nine months of his monthly premium for the cost of continuation of health benefits). In addition, Mr. Holmes's remaining interest in all other STIPs and LTIPs were forfeited in full.

On June 25, 2018, the Company entered into a severance agreement and release with Andrew Martin in connection with his resignation as Executive Vice President – Property Operations. Under this agreement, Mr. Martin received a lump sum severance payment of \$318,750, subject to applicable tax withholding and deductions as required by law. The severance calculation is based on 0.75x base salary, plus 0.75x target bonus. As of his resignation date, vesting accelerated on all 7,625 of Mr. Martin's outstanding time-based restricted shares of common stock, which were awarded under the Company's LTIP. All outstanding performance-based shares awarded to Mr. Martin under the LTIP will be forfeited. In addition, Mr. Martin will receive other employee benefits valued at \$20,926, including 0.75x of his current annual premium for the continuation of health benefits.

Tax Implications of Executive Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1 million in compensation per year on the amount that the Company may deduct with respect to each of its named executive officers. The limitation does not apply to compensation that qualifies as "performance-based compensation" under Section 162(m). The Compensation Committee's present intention is to qualify, to the extent reasonable, a substantial portion of the executive officers' compensation for deductibility under applicable tax laws. However, the Compensation Committee reserves the right to design programs that incorporate a full range of performance criteria important to the Company's success, even where compensation payable under such programs may not be deductible. No named executive officers exceeded this threshold for the fiscal year ended April 30, 2018.

Clawback Policy

The Company believes it is important to foster and maintain a culture that emphasizes integrity and accountability and that reinforces the Company's pay-for-performance compensation philosophy. For this reason, the Company adopted the Executive Incentive Compensation Recoupment Policy, more commonly known as a clawback policy, effective May 1, 2015. This policy applies to all executive officers, vice presidents, and senior vice presidents who receive incentive compensation, including annual cash bonuses and cash and equity awards under the current or future STIP and LTIP, which are based on achievement of specified financial performance metrics. The policy applies to such awards approved, awarded, or granted on or after the effective date of May 1, 2015.

In the event the Company restates its financial statements due to material noncompliance with any financial reporting requirement under the U.S. federal securities laws, a person covered by this clawback policy will be required to reimburse or forfeit any incentive compensation received if such person engaged in fraud, intentional misconduct, or illegal behavior that caused or contributed to such restatement. The amount to be reimbursed or forfeited will be the amount of the incentive compensation paid or awarded to the person based on the erroneous financial data exceeding the amount that would have been paid based on restated results, as determined by the Board in its sole discretion. The Board will also determine the method for recouping such amounts, which may include: (1) requiring reimbursement of cash incentive compensation previously paid to the person; (2) seeking

recovery of any gain realized on the vesting, sale or other disposition of any equity-based awards; (3) offsetting the recouped amount from any compensation otherwise owed by the Company to the person; (4) canceling outstanding vested or unvested equity awards made to the person; and/or (5) taking any other remedial and recovery action permitted by law.

The Board has the sole discretion to decide whether it is appropriate to recoup the pre- or post-tax incentive compensation amount based on the person's circumstances. However, actions taken to recover such incentive compensation under this policy will be effected in a manner that does not result in adverse tax consequences for the person under Section 409A of the Internal Revenue Code and applicable rules and regulations. It is the Company's intention that this policy be interpreted in a manner consistent with the requirements of Section 10D of the Exchange Act.

Change In Control Severance Agreements

The Company entered into Change in Control Severance Agreements with the executive officers, including Ms. Olson and Messrs. Decker and Kirchmann. The Company believes it is important to provide such officers assurances regarding the benefits that will be payable if a change in control occurs *and* their employment with the Company and its affiliates is terminated without cause by the Company or terminated by the officer for good reason, as such terms are defined in the agreements. These agreements have an initial term of five years, but will automatically extend for additional one-year periods thereafter unless either party terminates the agreement no later than by March 31st of the preceding year.

Pursuant to each agreement, the payment of severance benefits is also contingent on the officer: (1) signing a release and waiver of all claims against the Company, which includes a covenant not to sue; and (2) complying with certain covenants during employment and after termination, including non-compete provisions for six months, non-recruitment provisions, and confidentiality agreements.

Severance benefits include: (1) severance pay equal to two times for Mr. Decker and one times for other officers, the sum of (a) base salary plus (b) the average annual cash bonus awarded for the previous three years; (2) outstanding unvested stock awards that vest based on continued employment immediately become vested; (3) outstanding stock awards that vest based on performance goals, objectives, or measures will remain outstanding until the end of the performance measurement period and become vested to the extent the performance goals, objectives, or measures are achieved; (4) reimbursement of certain health insurance coverage for up to eighteen months; and (5) benefits under other Company plans and programs pursuant to the terms of such plans and programs.

Indemnification Agreements

The Company entered into an Indemnification Agreement with each of the trustees, executive officers, senior vice presidents, and certain other officers of the Company. The Company believes that to attract and retain talented and experienced individuals to serve or continue to serve as trustees or officers of the Company, and to encourage them to take the business risks necessary for the success of the Company, it is necessary for the Company contractually to indemnify trustees and officers and to assume for itself, to the fullest extent permitted by law, expenses and damages related to claims against such trustees and officers in connection with their service to the Company.

The agreements supplement the rights to indemnification, advancement of expenses and related rights provided in the Company's Declaration of Trust. The Agreements generally provide that the Company shall indemnify the indemnitees to the fullest extent permitted by law, subject to certain exceptions, against judgments, penalties, fines, and amounts paid in settlement and all expenses actually and reasonably incurred by indemnitee in connection with their services as a trustee or officer and also

provide rights to advancement of expenses and contribution. An agreement terminates the later of: (1) the date the indemnitee is no longer a trustee or employee of the Company; and (2) the date that indemnitee is no longer subject to any actual or possible proceeding, as defined in the agreements.

The Compensation Committee of the Board has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management, and based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Potential Payments Upon Termination or Change in Control

Employment Agreements

The Company has not entered into any employment agreements with its officers or employees.

Change in Control Severance Agreements

On June 19, 2018, the Company adopted a form of Change in Control Severance Agreements (“Change in Control Agreements”), and each of Mr. Decker, Mr. Kirchmann, and Ms. Olson have or will enter into a Change in Control Agreement with the Company. Under each agreement, an officer will receive severance payments and benefits if a change in control occurs and his or her employment with the Company and its affiliates is terminated without cause by the Company or terminated by the officer for good reason, as such terms are defined in the agreements. Such payments and receipt of benefits are also contingent on the officer: (1) signing a release and waiver of all claims against the Company; and (2) complying with certain covenants during employment and after termination, including a non-compete provision for one year for Mr. Decker, the CEO at the time, and six months for other executive officers; non-recruitment, or non-solicitation, provision; non-disparagement provision; and confidentiality agreement.

Under the agreements, severance benefits include:

- Severance pay equal to 2x for Mr. Decker (as CEO) and 1x for other executive officers, the sum of
 - base salary, plus
 - the target annual cash bonus
- outstanding non-vested share awards that vest based on continued employment immediately become vested; and
- outstanding non-vested, performance-based share awards that vest based on performance goals will remain outstanding until the end of the performance measurement period and become vested to the extent the performance goals are achieved.

Executive officers are also entitled to reimbursement of certain health insurance coverage for up to 18 months and benefits under other Company plans and programs per the terms of such plans and programs. Executive officers would not receive any payment in the event of a termination without good reason by the officer or a termination for cause by the Company.

2015 Incentive Plan

Under the 2015 Plan, in the event a change in control occurs (as defined under the 2015 Plan), the administrator may, at its discretion, require outstanding share awards, share unit awards, and incentive awards be assumed by the surviving entity or replaced by a comparable substitute award of substantially equal value issued by the surviving entity.

If awards are not assumed or replaced with substitute awards, the administrator may provide that: (1) share awards become vested in full; (2) share unit awards become earned in full and paid in vested common shares; and (3) incentive awards become earned, in whole or in part, in accordance with the terms of the award. In addition, the administrator may provide that share unit awards and incentive awards be canceled and exchanged for payment in cash, common shares, or other securities received by the Company’s shareholders in the change in control transaction equal to the price per share received by shareholders for each common share in the change in control transaction.

The following table provides information about the estimated maximum amounts payable to those named executive officers who were serving in their positions at the Company as of April 30, 2018 under various scenarios, assuming a change of control and/or termination had occurred on April 30, 2018. The table below does not include the cash amounts under outstanding STIP awards or number of vested shares under outstanding LTIP awards that otherwise would be payable to the named executive officer as of April 30, 2018.

- (1) This column assumes that there was neither accrued but unpaid base compensation nor vacation time earned but unpaid as of April 30, 2018.
- (2) Amounts in this column reflect accelerated vesting of awards of restricted common shares under the LTIP awards that were outstanding at April 30, 2018. For purposes of this table, it is assumed that all the common shares under the performance-based LTIP awards have been earned and that the market value per restricted common share is \$5.33, the closing market price per common share at the end of the last completed fiscal year, April 30, 2018.
- (3) No payments are made and no vesting occurs if the Company terminates the officer for “cause” as defined in the LTIP awards.
- (4) This reflects the occurrence of a change in control without termination, which would not trigger severance payments under the Change in Control Severance Agreement.
- (5) This reflects the occurrence of a change in control and the officer’s employment was terminated by the Company without cause or by the officer with good reason, thereby triggering severance payments under the Change in Control Severance Agreement, assuming that all conditions under such agreement had been met as of April 30, 2018.
- (6) Includes the reimbursement of health care benefits, estimated to be \$25,563 for Mr. Decker, \$17,312 for Mr. Kirchmann, and \$24,106 for Ms. Olson, assuming the reimbursement is for the full 18-month period and based on monthly premiums in place as of April 30, 2018.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, the Company is providing the following information regarding the ratio of the annual total compensation of its median employee to the annual total compensation of Mark O. Decker, Jr., the Company's President and Chief Executive Officer (the "CEO"). The Company considers the pay ratio specified below to be a reasonable estimate, calculated in a manner that is intended to be consistent with the requirements in Item 402(u) of Regulation S-K.

For the fiscal year ended April 30, 2018:

- the annual total compensation of the employee who represents the Company's median compensated employee (other than the CEO) was \$43,228; and
- the annual total compensation of the CEO, as reported in the Summary Compensation Table above, was \$1,674,860.

Based on this information, for the fiscal year ended April 30, 2018, the annual total compensation of our CEO was 39 times the median of the annual total compensation of all of our employees (other than the CEO).

Determining the Median Employee

Employee Population

The Company used its employee population data as of April 30, 2018, as the reference date for identifying its median employee. As of such date, the employee population consisted of approximately 527 individuals, approximately 76.5% of whom were hourly employees, and all of whom were located in the United States. For purposes of the pay ratio calculation, the Company's employee population consists of all full-time and part-time employees at all locations, including all temporary employees employed as of the measurement date. Approximately 10.5% of the Company's employee population consisted of part-time employees as of the reference date.

Methodology for Determining Our Median Employee

To identify the median employee from the employee population, the Company used actual wages and benefits paid, according to its U.S. and local payroll records, in the fiscal year ended April 30, 2018. In identifying the median employee, the Company annualized the compensation of all employees who were new-hires in the fiscal year ended April 30, 2018, and did not make any cost-of-living adjustments.

Compensation Measure and Annual Total Compensation of Median Employee

With respect to the annual total compensation of the median employee, the Company calculated such employee's compensation for the fiscal year ended April 30, 2018, in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K.

Annual Total Compensation of CEO

With respect to the annual total compensation of the CEO, the Company used the amount reported in the "Total" column of the 2018 Summary Compensation Table included in this Proxy Statement.

Compensation Policies and Risk Management

The Compensation Committee members evaluate the principal elements of executive and non-executive compensation to determine whether they encourage excessive risk-taking. While the Compensation Committee members focus on the compensation of the executive officers because risk-related decisions depend predominantly on their judgment, they also consider the compensation of other senior officers and employees operating in decision-making capacities. The Compensation Committee believes that because of the following there is a low likelihood that the Company's compensation policies and practices would encourage excessive risk-taking:

- Compensation for certain executive officers is composed of various components: base salary, short-term incentive cash awards, and long-term incentive equity awards. The mix is designed to balance near-term performance improvement with sustainable long-term value creation.
- A significant percentage of compensation is equity-based, long-term compensation pursuant to LTIP awards. The use of restricted shares encourages the Company's executive officers to focus on sustaining the Company's long-term performance because unvested awards could significantly decrease in value if the Company's business is not managed with long-term interests in mind.
- The STIP and LTIP awards granted in fiscal year 2018 utilize various performance goals. The STIP awards utilize the objective performance goals of Q4 FFO Run Rate per share/unit and Same Store NOI Growth as well as subjective performance goals for progress on execution of strategic plan and meeting individual personal goals. The performance-based LTIP awards utilize the Company's TSR over a three-year period as compared to the TSRs of the constituent members of the MSCI U.S. REIT Index over the same period as well as the Company's leverage ratio under the Company's line of credit. The use of several performance goals was intentionally selected by the Compensation Committee with the goal of aligning executive compensation with long-term creation of shareholder value.
- The 2015 Plan contains individual limitations on the maximum amount that may be granted or awarded in any calendar year to a participant, including under the STIP and LTIP awards. The Compensation Committee believes these limitations are currently set at appropriate maximum levels under the 2015 Incentive Plan.
- The Company adopted an equity ownership and retention policy by which each executive and senior officer is required to maintain a multiple of his or her base salary in common shares. The multiples are 5x for the Chief Executive Officer, 2x for the other executive officers and 1x for senior vice presidents. In addition, the officers are required to retain 60% of the net shares received under equity awards until either the officer reaches the ownership required level, is no longer employed by the Company, or ceases to be an officer. This policy requires each executive officer to maintain a meaningful equity interest in the Company that could significantly decrease in value if the Company's business is not managed with long-term interest in mind.
- The Company adopted a "clawback" policy by which, with respect to any incentive awards granted after May 1, 2015, the Board will have the right to recoup all or any portion of incentive awards granted based on the Company's financial statements if the person had engaged in fraud, intentional misconduct, or illegal behavior that caused or contributed to a material restatement of such financial statements.

- The Company adopted a policy prohibiting executive and senior officers from engaging in hedging or monetization transactions involving the Company's securities and from pledging the Company's securities as collateral for a loan, including through the use of traditional margin accounts with a broker.

The Compensation Committee believes this combination of factors encourages prudent management of the Company and discourages executive officers from taking risks that are not in the Company's long-term interest. Accordingly, the Compensation Committee believes the Company's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

401(k) Plan

The Company sponsors a defined contribution 401(k) retirement plan. Employees over the age of 21 may participate in the Company's 401(k) plan, except for collectively bargained employees, non-resident alien employees, and part-time/temporary/seasonal employees scheduled to work less than 1,000 hours of service within the plan year. Eligible employees can participate in the plan immediately upon hire, but are not eligible for the employer match until they have completed six months of service and are age 21. Employees participating in the 401(k) plan may contribute up to maximum levels established by the IRS. The Company currently matches, dollar-for-dollar, employee contributions to the 401(k) plan in an amount equal to up to 5% of the wages of each employee participating in the 401(k) plan.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2018, the following served as members of the Compensation Committee of the Board of Trustees, either for all or part of the fiscal year: Ms. Linda J. Hall (Chair), Mr. Terrance P. Maxwell, and Mr. John A. Schissel. None of the members of the Compensation Committee currently is, or formerly was, an officer or employee of the Company. Description of Proposal

The Audit Committee has approved the selection of Grant Thornton LLP (“Grant Thornton”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending April 30, 2019.

Vote Required

This proposal requires the affirmative vote of a majority of the voting power of the shareholders present in person or by proxy, provided a quorum is present, for approval.

Vote Recommended

The Board recommends that you vote FOR the ratification of the selection of Grant Thornton LLP as the Company’s independent auditor for fiscal year 2019.

ACCOUNTING AND AUDIT COMMITTEE MATTERS

Fees Paid to the Company's Independent Registered Public Accounting Firm

The following table summarizes the aggregate fees incurred for the audit and other services provided by Grant Thornton for fiscal years 2018 and 2017. These amounts include reimbursed expenses. The Audit Committee approves in advance all fees paid to, and services provided by, the Company's independent registered public accounting firm. The Audit Committee has considered the services provided by Grant Thornton in fiscal year 2018 and has determined that all such services were compatible with maintaining Grant Thornton's independence.

	<u>2018</u>	<u>2017</u>
Audit Fees	\$559,292	\$389,232
Audit-Related Fees	12,480	30,008
Tax Fees	—	—
All Other Fees	4,900	4,450
Total	<u>\$576,672</u>	<u>\$423,690</u>

Audit Fees: This category includes the audit of the Company's annual financial statements, review of financial statements included in the Company's quarterly reports on Form 10-Q, and services that are normally provided by the independent accountant in connection with regulatory filings, such as comfort letters and consents and assistance with and reviews of documents filed with the SEC.

Audit-Related Fees: This category consists of assurance and related services provided by the independent accountant that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported above under "Audit Fees." The services for the fees disclosed under this category generally include fees for benefit plan audits.

Tax Fees: This category consists of professional services rendered by the independent accountant primarily in connection with the Company's tax compliance activities, including the preparation of tax returns and technical tax advice related to the preparation of tax returns.

All Other Fees: This category consists of fees for other permissible services that do not meet the above category descriptions. These fees (\$4,900 and \$4,450 in fiscal years 2018 and 2017, respectively) represent the annual charge to the Company for a web-based accounting research tool.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the accounting and financial reporting processes of the Company and the audits of the Company's annual financial statements on behalf of the Board. In addition, the Audit Committee oversees the work of the Company's internal audit function. Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States ("GAAP") and for management's report on internal control over financial reporting. The Company's independent registered public accounting firm, Grant Thornton LLP, is responsible for auditing the consolidated financial statements and expressing an opinion on the financial statements and the effectiveness of internal control over financial reporting.

The Audit Committee meets at least quarterly and at such other times as it deems necessary or appropriate to carry out its responsibilities. The Audit Committee met four times during fiscal year 2018, and all of those meetings included executive sessions with our independent accountant without management being present. In the course of fulfilling its oversight responsibilities, the Audit Committee met with both management and Grant Thornton LLP to review and discuss annual and quarterly financial statements and quarterly operating results prior to their issuance. Management advised the Audit Committee that all financial statements were prepared in accordance with GAAP. The Audit Committee also discussed with Grant Thornton LLP matters required to be discussed pursuant to applicable Public Company Accounting Oversight Board standards, including the reasonableness of judgments and the clarity and completeness of financial disclosures.

In addition, the Audit Committee discussed with Grant Thornton LLP matters relating to its independence and has received from Grant Thornton LLP the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence.

The Audit Committee pre-approves all services provided by the independent auditor to the Company, and the related fees for such services, and has concluded that all such services provided in fiscal year 2018 were compatible with the auditors' independence. The independent auditors provided nominal non-audit or non-audit related services to the Company during fiscal year 2017. See "*Proposal 3: Ratification of Selection of Independent Auditor*" for more information regarding fees paid to the Company's independent auditors for services in fiscal years 2018 and 2017.

During fiscal year 2018, the Audit Committee continued to oversee the internal auditor's ongoing testing of the effectiveness of the Company's internal controls. The findings of the internal auditor were reported to the Audit Committee on a quarterly basis. Grant Thornton LLP, as part of its 2018 audit of the Company's financial statements, independently reviewed the Company's internal controls.

On the basis of the reviews and discussions the Audit Committee has had with Grant Thornton LLP, the Company's internal auditor, and management, the Audit Committee recommended to the Board of Trustees that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2018 for filing with the SEC.

The Audit Committee has selected Grant Thornton LLP as the Company's independent registered public accounting firm for fiscal year 2019. The Board of Trustees has concurred in that selection and has presented the matter to the shareholders of the Company for ratification.

Section 16(a) of the Exchange Act (“Section 16(a)”) requires that the trustees and executive officers of the Company and holders of more than 10% of the Company’s equity securities file with the SEC, within specified due dates, initial reports of beneficial ownership of the Company’s equity securities on Form 3; reports of changes in ownership of the Company’s equity securities on Form 4; and annual reports of changes in ownership of the Company’s equity securities on Form 5. As a matter of practice, the Company’s administrative staff assists the trustees and executive officers with these reporting requirements. The Company is required to disclose whether it has knowledge that any person required to file such reports may have failed to do so in a timely manner. Based solely on a review of Section 16(a) reports filed with the SEC either reflecting transactions that had occurred during fiscal year 2017 or had been filed during fiscal year 2018 and on written representations from the Company’s trustees and executive officers that no other reports were required during the year ended April 30, 2018, the Company believes that all of the Section 16(a) reporting obligations for the fiscal year ended April 30, 2018 were met, except for the following untimely filings of Section 16(a) reports: (1) John D. Stewart, Trustee, untimely filed the forfeiture of his restricted stock award upon his resignation as a Trustee, which Form 4 report was filed on February 9, 2018; (2) John A. Kirchmann, Executive Vice President and Chief Financial Officer, filed a Form 4 report on his purchase of the Company’s common stock one day late, on January 31, 2018; (3) Emily Nagle Green and Mary J. Twinem, as new Trustees, filed their initial Form 3 report on March 15, 2018, which occurred simultaneously with their Form 4 filings that reported the grant of restricted stock they received in connection with their service as Trustees; and (4) Andrew Martin untimely filed a Form 4 on August 1, 2018, which Form 4 related to the following two transactions: (a) the vesting of restricted stock units on a time-based vesting schedule; and (b) accelerated vesting of certain restricted stock upon his resignation on June 25, 2018.

SHAREHOLDERS WITH THE SAME LAST NAME AND ADDRESS

In accordance with notices that the Company sent to certain shareholders, the Company is sending only a single copy of its proxy materials or Notice of Availability of Proxy Materials, as applicable, to shareholders who share the same last name and address, unless they have notified the Company that they want to continue receiving multiple copies. This practice, known as “householding,” is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources.

Householding for bank and brokerage accounts is limited to accounts within the same bank or brokerage firm. For example, if you and your spouse share the same last name and address, and you and your spouse each have two accounts containing the Company’s common shares at two different brokerage firms, your household will receive two copies of the Company’s proxy materials, one from each brokerage firm.

If you received a househanded mailing this year and you would like to have separate proxy materials mailed to you, or you would like to opt out of this practice for future mailings, please submit your request to the Investor Relations Department by mail to Investor Relations, Investors Real Estate Trust, 1400 31st Avenue SW, Suite 60, P.O.
